FIFE COUNCIL EDUCATION SERVICE

WHAT WE STAND FOR

The Education Service in Fife plays a key role in taking forward the wider aims of Fife Council. As part of the Education and Children’s Services Directorate, our vision and what we stand for is “**Improving Life Chances for All**”.

THE VALUES AND PRIORITIES OF THE EDUCATION SERVICE

Our approach towards “**Improving Life Chances for All**” is founded on the values of Compassion; Ambition; Respect and Equality as we develop the capacity of young people to become:

- Successful learners
- Responsible Citizens
- Confident Individuals
- Effective Contributors

The four priorities of the Education Service are Educational Outcomes, Employability skills, Equity and Equality and Enhancing Opportunities for Vulnerable Groups and Individuals.

The themes supporting the 4 priorities are shown below.

Educational Outcomes focusing on	Employability Skills focusing on
<ul style="list-style-type: none"> ● Improving Outcomes for Learners including a focus on raising attainment in Literacy and Numeracy ● Developing Excellence in Learning and Teaching ● Building an excellent Curriculum 	<ul style="list-style-type: none"> ● Universal learning programmes to ensure all young people learn about careers and develop recognised employability skills ● Focussed programmes to ensure particular groups are guided towards specific careers, especially as they enter the senior phase ● Targeted programmes of learning to ensure we make effective provision for those most at risk of finding a negative destination when leaving school
Equality and Equity focusing on	Enhancing Opportunities for Vulnerable Groups and Individuals Most at Risk
<ul style="list-style-type: none"> ● Breaking the cycle of disadvantage including reducing the attainment gap ● Early Years ● Supporting children, young people and families 	<ul style="list-style-type: none"> ● In our focus on Educational Outcomes, Equality and Equity and Employability we will target our work towards improved outcomes for disadvantaged groups and those individuals most at risk

These priorities and themes and the associated actions are described in the Education Service Plan and are reflected in the work of the school.

The information contained in this booklet refers to the current school year and is accurate at the time of publication.

We hope this information will be helpful to you and will answer many of your questions about the school. Should you have any further enquiries, please do not hesitate to call in at the school where we shall be pleased to help you.

Dear Parent

I have attempted to cover the areas which will probably be of interest or concern to parents and at the same time to inform you of the educational aims that we have for your child.

My teaching colleagues and I are firmly of the opinion that school and parents must work together to ensure that children receive the best possible education.

I fully appreciate that this booklet will not be able to answer all the questions that you would like to ask and I hope that if this is the case, you will contact the school and arrange for a personal interview.

Yours sincerely

Mrs Vicki Bell
Headteacher

SCHOOL ETHOS

At Fair Isle Primary School our purpose is to provide a safe, happy and stimulating learning environment for all our pupils. We encourage all our pupils to believe in themselves and to always be the very best that they can be. Hard work and effort is valued and pupils are expected to be aware of where they are in their learning and what they need to do to develop and improve. Classes hold regular class meetings where everyone is given the opportunity to have a voice and to contribute in some way to class planning and to the wider life of the school.

We have an active Junior Lighthouse Team to ensure our pupils take responsibility, develop resilience and confidence to make decisions about their own and others learning.

We were the first school in Scotland to implement the 'Leader in Me' programme based on Stephen Covey's 7 Habits of Highly Effective People. In April 2016 we became the first school in the UK and only 3rd in wider Europe to achieve "Lighthouse Status".

We expect a high standard of behaviour from all. Our relationships are strong and we hope that when school and parents work together any difficulties can be solved.

Where behaviour falls below expectations staff will discuss this with pupils and will be clear about the changes that need to happen. Where disagreements occur between pupils a restorative approach will be taken to solve the problem, using our 7 habits.

Achievement and attainment are celebrated in classes and at whole school events. Children are nominated for Ace Awards at School Assemblies, these recognise pupils who have been successful learners, effective contributors, responsible citizens or confident individual.

We expect that all children will wear their uniform each day and this contributes to the sense of community.

We work tirelessly to make our school the heart of the community and pride ourselves on the work we do with our pupils and families. Our values are 'Opportunities for All, developing leaders one by one.'

BUILDING

The new Fair Isle Primary School opened in November 2006. It is a lovely modern building which provides an excellent teaching and learning environment. It has sixteen classrooms, a main hall/dining room, as well as a purpose built gym hall. Currently through PEF we have a nurture base.

We also have a Community Lounge and Parents' Room.

There is full disabled access.

Other Information

At Fair Isle Primary we encourage parents to contact the school at any time should they have any comments or concerns that they wish to have addressed.

Parents should make contact in the first instance with the school office either by calling in or by telephone.

The office staff, Mrs Chrisp, Mrs Sparling or Mrs Mackay will then pass the information to the appropriate Senior Management person. They will then contact the parents as soon as possible with the offer of a meeting to discuss the issue.

We would encourage parents and families to contact us with questions over teaching, learning, school activities and playground matters.

If families arrive in the Fair Isle catchment area and require a school place please contact the school either by telephone, email or in person to arrange an appropriate time to visit the school to enrol.

NAMED PERSON

The Children and Young People (Scotland) Act 2014 includes making a Named Person available for every child, from birth until their 18th birthday (or beyond, if they are still in school). In most cases, the Named Person will not have to do anything more than they normally do in the course of their day-to-day work.

Most children and young people get all the help and support they need from their families, from teachers and health practitioners, and from their wider communities – the Named Person does not change these roles.

However, some families may need extra help and that's where the Named Person comes in. This means that the child and their family have a single point of contact who can work with them to sort out any further help, advice or support if they need it.

The Named Person for your child is Mrs Vicki Bell, Headteacher.

SCHOOL HOURS

Morning: 9.00am to 12.40pm

Interval: 10.40am to 11.00am

Lunch: 12.40pm to 1.30pm

Afternoon: 1.30pm to 3.10pm

SCHOOL UNIFORM

The dress code for Fair Isle Primary is red and black. National Schoolwear Centre in Kirkcaldy High Street has a very good selection of uniform items (some with the school badge), eg polo shirts, sweatshirts, t-shirts, shorts, fleeces, skirts, trousers, shirts, ties and outdoor/rain jackets - all at very good prices and sometimes offering special deals. The children are also expected to change from outdoor footwear to indoor gym shoes in their cloakrooms. The gym shoes will remain in school.

All items of clothing, including gym shoes, should show the child's name - many labels have a place for names.

SCHOOL CLOTHING GRANT

We can provide free school meals and a school clothing grant of £100.00 per child if you are on a low income.

To qualify for free schools meals and school clothing grant you must be in receipt of one of the following:

- Income Support
- Job Seekers Allowance (Income Based)
- Employment and Support Allowance (Income Related)
- Child Tax Credit only with annual income below £16,105
- Child Tax Credit & Working Tax Credit with annual income below £6420
- Support under Part VI of the Immigration & Asylum Act 1999
- Universal Credit including those with a take home of pay of up to £610 per month
- Long Term Incapacity Benefit (school clothing grant only)
- Widows Allowance if not in full time employment (school clothing grant only)
- Child Tax Credit & Working Tax Credit with annual income below £69,00 (school clothing grant only)

If you don't meet this criteria but your child is in P1-3, they can still receive free school meals. Free school milk will only be given if the above criteria is met.

ENROLMENT

Children who reach the age of 5 on or before 17 August 2020, must normally start school in August 2020. Children who reach the age of 5 after August 2020, but before 29 February 2021, may also start school in August 2020, though parents are not obliged to send their children to school until the first entry date after their fifth birthday.

Parents of children in either of these categories are asked to enrol their child at their catchment school before Friday, 31 January 2020.

Choice of School

Parents have the right to make a placing request for the school they wish their child to attend. This applies whether the child is about to start school or whether he/she is already attending primary, secondary or additional support needs school. Parents wishing to send their child to a school other than the catchment school should apply to the school of their choice as soon as possible and, in any case, before 15 March 2020. Parents must also enrol their child at their catchment school to ensure a place is available if a placing request application is refused.

Headteachers must provide information to parents on how to make a placing request for the school of their choice. In the case of children starting school for the first time 'Choosing A School – A Guide for Parents' is available online at www.scotland.gov.uk. Individual school booklets will be provided by the Headteacher of individual schools and can be accessed online at www.fifedirect.org.uk. School catchment areas can be accessed online at www.fifedirect.org.uk/catchmentchecker

SCHOOL MEALS AND MILK

School meals are provided in all primary schools and meet the Scottish Nutritional Standards.

Meals are provided free of charge for all pupils in Primaries 1 – 3.

Your child can select two courses from:

Home Made Soup or Daily Dessert or Fresh Fruit

Plus

The Hot Dish of the Day or Filled Baked Potato or Salad

Plus

A Glass of Milk or Water And Unlimited Bread and Salad

The current cost of a school meal is £2.20 (from 1st April 2019 to 31 March 2020).

Money for school meals is collected daily/weekly.

SPECIFIC DIETARY REQUIREMENTS

Fife Council is committed to providing a school meal service to all pupils who require them and will provide a specialised dietary service for certain children through discussion between the child, parent/guardian, and the school. Special diets will be provided on the basis of

- Religious requirements
- Cultural/ethical reasons
- Therapeutic diets will be provided on the basis of Medical conditions (as recommended by a doctor or dietician.)

It is not possible to meet individual requests for diet unless they are based on the reasons above.

If the child is known to have an allergy to nuts/nut products then our Allergies – Policies/Guidelines should be read in conjunction with this policy.

SCHOOL MILK

Fresh chilled milk is available in all Primary Schools, and currently costs 24p per carton (from 1st April 2019 to 31 March 2020).

Money for school milk is collected weekly

WATER IN SCHOOLS SCHEME

All pupils have access to chilled water throughout the school day.

HEALTHY TUCK SHOP INITIATIVE

A healthy tuck shop can help encourage children to adopt good eating habits. Therefore as part of the whole school approach to food schools are being encouraged to establish healthy tuck shops within their schools. The Food in Schools group has developed a Healthy tuck shop/Vending policy which gives schools guidance on suitable products for inclusion in a healthy tuck shop initiative.

CURRICULUM

Fife schools follow Curriculum for Excellence, a national framework which is providing our children with learning experiences and opportunities to prepare them for learning, life and work in a changing world. Children learn actively in eight different curricular areas following a curriculum designed by each school to reflect their particular needs and circumstances.

All schools follow the same principles in designing the curriculum, aimed at ensuring that children have the experiences and opportunities to become –

- Successful Learners
- Confident Individuals
- Effective Contributors
- Responsible Citizens

Literacy, numeracy and health and wellbeing are addressed throughout the curriculum and children's wider achievements are fully recognised and celebrated, reflecting the value given to wider learning and children's experiences out of school.

Children are fully consulted throughout their learning and in decisions about what they learn and how they learn it. There are opportunities throughout the school year for parents to receive information and be consulted upon the curriculum children are following, particularly in relation to more sensitive aspects of learning.

Religious and moral education is a core subject for all pupils attending primary and secondary schools in Scotland. Schools also provide opportunities for religious observance in order to promote the spiritual development of the school community. Parents can choose to withdraw their children from participation in religious education or religious observance. Parents wishing to do this should contact the headteacher. The school will make arrangements for pupils to participate in a suitable alternative activity.

Further information about the curriculum is available on the school website, and more general information regarding Curriculum for Excellence can be found at Parentzone (<http://www.educationscotland.gov.uk/parentzone>), a national resource developed by Education Scotland on behalf of the Scottish Government.

Children from Primary 1 to 7 have regular Outdoor Learning Activities, where they develop a range of skills through play and exploration. All classes have the opportunity for outdoor learning in a range of curricular areas. Some PE lessons are taken outdoors.

Children in P1 and P2 are learning through a play based approach.

All staff take responsibility for developing literacy, numeracy, health and well-being and digital literacy across the curriculum.

All our pupils are given opportunities to develop the necessary skills for learning, life and work.

After school clubs are run for both children and adults e.g arts& crafts, drama, football, multi-activity, etc, which are very well attended.

PUPIL VOICE

Fair Isle Primary is the first school in Scotland to implement an exciting new programme "The

Leader in Me" which will help pupils to learn life skills, make positive choices and experience an introduction to personal leadership. Pupils will be learning to apply the 7 habits to situations which they meet in their daily lives, the choices they make and the potential that they have as individuals.

At Fair Isle Primary we have a strong commitment to an effective Pupil Voice and have a Junior Lighthouse Team who meet fortnightly. All pupils are given encouragement to contribute to the running of the school and their classroom. They are also encouraged to promote positive behaviour and relationships in both the classroom and in the playground.

Our Junior Lighthouse Team enjoy looking at the school improvement plan and make a child friendly version to display throughout the school.

In P7 we have Senior Leaders who support learning throughout the school and are involved in decision-making. They actively engage in communication and discussions about next steps for the school.

ASSESSMENT AND REPORTING

Assessment

Broadly, across Fife primary schools two forms of assessment are used to support your child's development:

Summative assessment- which focuses on measuring current performance in terms of how successful the learner has been measured against national benchmarks, and formative assessment which gathers information about pupils' learning which is then used to help plan next steps in learning. Both types of assessment help teachers improve their teaching and the support they give to their pupils.

Summative assessment takes the form of standardised classroom based tests which measure how well your child is performing for their age and stage. Their purpose is not to compare your child with others but to provide the school with information to ensure that your child's learning needs are being addressed.

Formative Assessment is an integral part of your child's day to day learning and provides a range of information to support your child in moving their learning forward. This less formal assessment takes many forms including observing children's engagement in classroom tasks and providing individual feedback to pupils to support them in identifying their own next steps in learning.

Within our school pupils are encouraged to participate in classroom planning during their weekly class meetings. Teachers and pupils engage in regular discussions about learning. Pupils are aware of their next steps and learning needs. Teachers share learning intentions during lessons and work with pupils to agree success criteria. Pupils and teachers work together to identify success in learning and look at what the pupil needs to do to improve.

Reporting

In all Fife schools teachers' reports about each pupil's learning play an important part in providing useful feedback about learning, for parents and carers and for other teachers and adults concerned with the young person's learning, progress and achievements.

Effective, constructive feedback to parents should be clear, positive, specific, supportive and give an honest appraisal of pupils' progress. Feedback will be provided for parents at parents' meetings and in formal written reports. Formal written reports will be based on the personal learning planning and informal records that have been shared with pupils and parents regularly throughout the year. Reports provide an overall summary of progress, achievements and next steps in learning in line with Curriculum for Excellence.

Within our school parents and carers are invited to attend Parent Interviews twice a year in March and November. Parents are offered an individual appointment with the class teacher. Our Support for Learning Teacher and members of the Leadership Team are available for discussion during these sessions.

End of Session Summative Reports are shared with parents in June.

TRANSITION

Miss Duncan (Infant Depute) co-ordinates the transition programme from Nursery to P1.

Mr Hutcheson (Upper Depute) co-ordinates the transition programme from P7 to High School.

INSTRUMENTAL INSTRUCTION

Children who show musical promise may qualify for instrumental instruction. The types of instrument offered by Fife Education and Children's Services are violin, viola, cello, double bass, clarsach, woodwind, brass, piano/keyboard, bass guitar, guitar, percussion, chanter and pipe band drumming. The type of instrument available differs from school to school and generally only one type will be available to children in a school.

There is a charge for tuition. The rate may be subject to change, but the current rate would be notified at the time of interview. This may be paid in instalments or by Direct Debit and concessions may be available.

Please tell the Headteacher if you do not wish your child to be considered for instrumental instruction.

ATTENDANCE

If your child is enrolled in school, you are legally obliged to send your child to school on a regular basis. To prevent any misunderstanding, please contact the school immediately if your child is not able to attend. Please send an explanatory note with your child when he/she returns to school; otherwise the absence will be recorded as unauthorised.

In occurrences of long term illness it may be possible for instruction to be given at home on a part-time basis.

HEALTH CARE

Should your child be taking medicine or have a medical condition which might affect his/her school life, it is essential that you notify the school of the condition and its implications. This information will be treated in strictest confidence to ensure the wellbeing of your child. Where necessary an Education Health Care Plan will be developed for your child in consultation with you and relevant health services.

Should your child become ill or have an accident while at school that requires medical attention, we shall:

- try to contact you by telephone, if this is possible, or arrange for a message to be sent to you.
- telephone the health service, if necessary, and arrange for your child to be taken by you or someone else nominated by you for medical attention.

From time to time children are offered a medical examination or review by the schools Community Paediatrician or School Nurse from the School Health Service. These can be either routine examinations carried out for all children, or where a health concern has been identified. As parent/carer you will be notified in good time so that you may be present if possible.

School Nursing Service

Each school has access to the school nursing service. If you wish to contact your School Nurse please speak to your school.

School Based Immunisation Programmes

All pupils will be offered to participate in The Scottish School Based Immunisation Programme that is led by Fife Health & Social Care Partnership in partnership with education.

Parents will be notified and invited to participate by the Centralised Immunisation Team when the age appropriate immunisation programme is to take place within their child's school.

CHILD PROTECTION

Our school, like all schools in Fife, is concerned with all aspects of a child's health and wellbeing. We aim to provide a safe and supportive environment and work together with other agencies to ensure that all children are safe and protected from harm. The school follows the Education and Children's Services Child Protection Guidelines in all aspects of Child Protection and Care and Welfare. Our school has a child protection co-ordinator (Mrs Vicki Bell) who will deal with all child protection issues and with whom any concerns can be discussed.

TRANSPORT

Our current policy offers free home-to-school transport to primary school children who attend their catchment area school and live more than one mile from it and to secondary school children who attend their catchment area school and live more than two miles from it. Distances are measured by the shortest available walking route for an accompanied child. However, if you choose a school other than your catchment area school, the Council will not provide any assistance with the cost of transport.

SUPPORT FOR PUPILS

Some children require additional support to make progress in school. Such support takes a range of forms – extra consideration by their class teacher, use of IT to support learning, support from a Pupil Support Assistant, time with a support teacher and in a few cases an alternative placement to, for example an additional support needs class. In some cases help may be provided from services external to the school such as the Psychological Service or by the Supporting Learners Service.

If you are worried about your child's progress and think he or she might have additional support needs you can either raise this with school staff at a parent's evening or make an appointment to discuss this at another time. School staff will listen closely to all your concerns and together you can decide on the next steps. Ongoing support will be co-ordinated by the headteacher of the school.

Each class teacher will ensure learning needs are met in their class and be aware of any concerns about a pupil's wellbeing.

If you would like to know more about how additional support needs are identified and assessed please contact the headteacher of your child's school. Further information may also be available from the school's link Educational Psychologist and the Learning Support Teacher.

The Additional Support for Learning Act

If you are concerned that your child/young person has additional support needs you can request, by writing to your school, an assessment to decide if there are additional support needs. If your child has additional support needs which are long term and involve a number of services, you can ask for a coordinated support plan to be established.

Schools in Fife work in partnership with parents and aim to agree with you the best way forward for your child. Where agreement cannot be reached between you and the school, it may be helpful to involve an educational psychologist or education officer. The school may suggest this, or you can request such involvement. Where a disagreement persists, relating to additional support needs, you are entitled to free independent mediation.

You can also ask for independent adjudication for disputes about how the local authority is exercising its functions under the Education (Additional Support for Learning) (Scotland) Act 2004 as amended 2009. Additional Support Needs Tribunals can be accessed for disputes relating to Coordinated Support Plans, including placing requests where there is a CSP.

If you require further information about any of the above you can contact Alistair Haldane, Education Manager at Alistair.Haldane@fife.gov.uk or on 03451 555 555 Ext 444224.

Parents can also contact Enquire - the Scottish advice service for additional support for learning. Operated by Children in Scotland, Enquire offers independent, confidential advice and information on additional support for learning through:

- a telephone helpline – 0845 123 2303
- an online enquiry service – info@enquire.org.uk
- two websites– www.enquire.org.uk (for parents/carers and practitioners) and www.enquire.org.uk/yp (for children and young people)

Enquire also provides a range of clear and easy-to-read guides and factsheets explaining everything from ‘additional support in the early years’ to ‘what planning should take place for moving on from school’.

Let’s Talk ASN Scotland is a national, free and independent legal advice service for parents of children and young people with additional support needs and can support in relation to a dispute with the education authority.

Let’s Talk can be contacted at letstalkasn@edlaw.org.uk or at 0141 445 1955.

Children and young people can also exercise their own rights to access an assessment of their additional support needs, access advocacy and support to resolve disagreements with their school or the education authority. To access this support, the child or parent can contact My Rights, My Say to make a referral, email help@myrightmysay.scot To find out more about the children’s service by contacting our helpline on 0345 123 2303.

EQUAL OPPORTUNITIES

Fife Council’s schools promote Equal Opportunities for all pupils. All schools take problems of bullying and racism very seriously, and have procedures for dealing with hate incidents and supporting pupils and parents.

PARENTAL INVOLVEMENT

Parents and carers are offered a range of opportunities to be involved in the life of the school. Parents are offered Family Learning and sharing leadership notebooks termly.

Parents are encouraged to help the pupils with their homework, which is given weekly.

We have a committed Parent Council who meet termly in the school and are currently exploring ways in which they can become involved in the life of the school and enrich the experience for all pupils. We seek parent opinion on a variety of topics during each parent's evening and parental events in school through audits, questionnaires etc.

We ask a group of parents to be part of our learning partnership visit each year. Speaking about the life of the school to other professionals.

Class assemblies are presented by each class once per session and parents are invited to attend. Parents are also invited to attend the end of term church assemblies at Christmas and summer which are held at St Bryce Kirk.

Parents are invited to special events throughout the year such as P3 moving to P4 information session, coffee mornings, Christmas Fayre, P1 Nativity, music afternoon, P7

residential assembly, P1 parents groups, nurture base groups etc.

Parents are also offered a variety of adult learning groups and parent/child clubs each term.

THE SCHOOL TO WHICH YOUR CHILD WILL TRANSFER

On completion of primary education the normal arrangement is for children to transfer to the catchment secondary school associated with their home address. However parents can make a placing request to attend a secondary school other than the catchment school and further information on how to do this is available in the booklet, Choosing a school – a guide for parents, which is available online at www.scotland.gov.uk/Publications/2010/11/10093528/0

SCHOOL IMPROVEMENT

School Achievements -

School has undertaken the Leader in Me programme, after all staff completed the full 7 Habits training.

In 2013 Big Lottery Scotland awarded a further 5 year funding for the Opportunities for All Project which was run within the school. This allowed the activities and support given to families to continue. We now provide this support to pupils and families through our PEF funding.

In the past 12 months pupils from Fair Isle Primary have participated in various activities outwith the school.

There have also been lots of events within the school. These were held either as a whole school or individual primaries showcasing their learning throughout the year.

Health and Wellbeing -

All children have two opportunities for physical activity each week. They also have experiences in a planned programme of health and Wellbeing, appropriate to their age and stage.

School Improvement -

A School Improvement Plan is produced in June each year. This is done in consultation with staff, parents, pupils and school partners. This gives details of how the school has improved standards for pupils in relation to literacy, numeracy and health and well-being. It also outlines the plans for the future improvement of the school's performance over the next 3 years.

Full details of this can be found on the school website.

SCHOOL POLICIES

DATA COLLECTION

Fife Council collects information on pupils, parents and other carers to enable the provision of educational and other support services including personal data, contact details, pupil's attainment records and health information.

We are keen to help all our pupils do well in all aspects of school life and achieve better exam results. Sometimes the best way is by sharing information with our partner agencies including NHS Fife, Fife Constabulary, Careers Scotland and the Scottish Government Education Department. These agencies have a responsibility to protect children, young people and vulnerable adults and sharing information between agencies helps to do this. Examples include: the provision of dental services, immunisation programmes and road safety campaigns.

The benefits of data sharing.

Sharing information between partner agencies ensures integrated service provision which provides a positive contribution to the safety and well-being of children and young adults.

Data sharing helps:

- protect children and young people from suffering harm, abuse or neglect;
- ensure children and young adults with additional needs get the services they require;
- enable pupils to achieve their academic potential and attain their goals;
- plan future services

What information can be shared?

Information collected through enrolment forms or provided by parents and other carers will be held on computer systems and used within Fife Council for the purposes of furthering education and training, pupil care, career guidance, health monitoring and Parent Council elections and advice.

Information will be shared with partner agencies when there are clear concerns about the care, safety and welfare of children, young people or vulnerable adults and to aid careers planning. If you have any questions or comments on the information we share please contact David Smith, MIS Team Leader at education.data@fife.gov.uk

Personal data **will not** be shared out-with the above circumstances and information will not be disclosed to any third parties except where permitted or required by law or where informed consent has been received. The uses of the information are covered by the Council's registration under the Data Protection Act 1998.

WANT MORE INFORMATION?

Further information on Fife Council's use of data and the Data Protection Act 1998 can be found on Fife Council's website www.fifedirect.org.uk

SEVERE WEATHER CONDITIONS

Unless specifically advised, schools will remain open during periods of severe weather. It is vital that parents/carers ensure that schools have the means to contact them should this position change. Decisions to close will be made as early as possible.

To be kept up to date with closure information:

1. **By text or email through Fife Direct** – Notification of a school closure is done by schools through Fife Direct. To sign up to receive text or email alerts, please enter your contact details via www.fifedirect.org.uk/alerts, click on Alerts and under Alert Services click on [join fifedirect](#).
2. **By text or email through your school** – Make sure that you have given your up to date mobile number and email address details to the school so that they can contact you via Groupcall. These messages will provide supplementary information to the above.
3. **Visit** www.fifedirect.org.uk/closures. Also, check the website of your own school.
4. **Follow-us** on [facebook.com/fifecouncil](https://www.facebook.com/fifecouncil) and twitter.com/fifecouncil.
5. **Listen** to Kingdom FM, Forth One and Tay FM.
6. **Check TV** on Sky channel 539, press red or Virgin channel 233, press red.

Please note: If your child moves school or attends more than one establishment, you should amend the school details on your account in Fife Direct to ensure you receive information from the correct school.

Schools also circulate severe weather information for parents and carers at the start of the winter term. This may be added to their websites, shared through email or text messages and/or distributed via school bag mail drop.
