2.00pm-2.45pm-P1 will have their Halloween party in the afternoon. Your child can either be a home lunch to get changed or can bring clothes to school to change into after lunchtime.

As this is P1's first party there will be no charge for them.

The cost of the parties for P2-P7 is £1.

Your child must be collected after the party from the gym hall door.

Open Morning

It was lovely to see so many parents come along to our Open Morning. Thank you to all the parents who filled out the survey. From your feedback we will look to have separate days/times for the upper school and Infants and less time watching teachers teach making more time for parents to enjoy activities with their child. There was a high interest in almost all the workshops, we will look to hold the workshops over the next 3 terms.

Seesaw

It is great to see so many of our families using the Seesaw app, we hope you all enjoy seeing and reading what your child has been learning in class. **P1-P3** is more individual pictures of children and their learning journey. **P4-P7** have a leader in each class who will update the page on what the class have been learning.

Senior Leader

Well done to all the P7's who were successful in becoming senior leaders for this school year.

Congratulations to our Head boy Alfie and Head girl Tegan.

Parent Council

Mrs Bell met with the parent council on Wednesday 18th September, updates can be found on the school website. The parent council have kindly donated some of the money raised at previous events towards wooden building blocks for use in the P1 area.
