

## What Do You Need To Know?

Children come into the Nursery with many different experiences. The Nursery Team will build and develop these experiences in partnership with you. Our priority is to make sure your child feels safe and happy.

### Nursery Visits

As part of our transition programme you and your child will be invited to visit the nursery. This will be a chance for you to play with your child in the nursery and ask the staff questions before they start. We hope this gives you all the information you need. You are welcome to phone the school office during school hours should you have any further questions.

### Settling In

Settling your child into nursery may take just one day or it might take several weeks. The Nursery Team will work closely with you to ensure your child's transition is as easy as possible.

### What to wear in Nursery

We encourage independence at nursery so clothing and footwear that is easy to fasten and manage is recommended. Additionally, footwear should be suitable for indoor sessions in the gym hall, so no slippers, slingbacks, Crocs or slip-on shoes please. Children change from outdoor shoes to gym shoes in the Nursery which are kept at Nursery and they will need wellingtons which again can be left at Nursery. A couple of sets of spare clothes is essential too.

### Arriving and Leaving

Nursery children are dropped off in the nursery garden and picked up from the main nursery door. When you arrive for pick up please ring the bell and wait for a member of staff to let you in. You are then able to help your child get ready for home and can have a quick check in with staff about your child's day. Please let the nursery staff know if anyone other than the usual person will be collecting your child.

### Contributions

A termly contribution of £1.50 per week is requested. This can be paid in full at the start of each term or on a weekly basis by bank transfer.
