

- What happened to the main characters when they broke the rules?
- What else could have happened?
- Did anyone get hurt?
- Was anyone upset?
- How would you feel if you were affected?
- Were any of the rules changed at the end of the story?

- Which rules did the characters follow?
- What were these rules for?
- Which rules did the characters break?
- Why did they break these rules?
- Are there any rules mentioned in the story that we have in the nursery/ at home?
- Who created the rules?

- What rules do we have when using technology in the nursery e.g. don't touch sockets, don't leave things on the floor, don't eat beside the computer, etc?
- What rules do you have at home e.g. who manages the computer, how long are you allowed on a device, should you touch someone's phone without permission?
- Who checks we are following the rules? Parents/school staff/police?

- Do we have rules for using different technologies?
- Who creates these rules?
- Where can we find these rules?
- Are the rules the same in all places?
- What would happen if you used a computer/ device without permission?
- What could happen if you touch the cables at the back of a computer?
