Reflective Questions

Following your engagement in the Professional Learning session, now consider:

Concepts

What were the key takeaway messages for me?

Connections

How do these relate to my current work in school?

Challenges

What challenges or issues does this raise for me?

Changes

How will I now put my professional learning into practice?

You may wish to use some of the following self-reflection or discussion prompts:

What kinds of approaches and strategies do we use to support our learners to become more confident and effective spellers?

What is our whole school approach to handwriting and how does this support our learners to develop a clear, legible style?

How do we improve our learners' understanding and control of language through the use of a rich text?

How do we help our learners to develop their ability to effectively structure their sentences for different purposes and effects?

How do we support our learners to understand the different types of connectives and when these are most appropriate to use?

What opportunities do our learners have to review and edit their writing? How do these help them to improve? What else might we consider?

How do our current approaches to providing feedback help our learners to improve? What else might we consider?
