

# INDIVIDUAL TALK

	We communicate in a <b>CLEAR</b> way so others can easily understand our ideas, feelings or information.
	We communicate in a <b>CONFIDENT</b> way by using our voice and body language to make positive contributions.
	We put our thoughts in order to keep our ideas or information <b>COHERENT</b> so that others can follow.
	We <b>CONNECT</b> with others in different ways using words and language to help us communicate.
	We use <b>CREATIVE</b> ways to help us communicate through pictures, technology or different materials.
