

## Child Protection, Safeguarding and Wellbeing Policy

**This policy applies to all staff and volunteers within Foulford Primary and Nursery.**

Within our school and nursery, we aim to create an environment in which all pupils are safe and feel safe in both school and nursery. There is a strong, robust and proactive response from adults that reduces the risk of harm to children. Adults working with them know and understand the indicators that may suggest that a child or young person is suffering or is at risk of suffering harm. **(Ref: How good is our school 4<sup>th</sup> Edition)**

We are committed to practice in a way that protects all children and young people and fully adhere to the processes and procedures contained within Fife's Inter-Agency Child Protection Guidance 2016

## Fife Key Child Protection Principles

Fife Child Protection Committee's '**Six for Safety**' promotes best practice when working with children and families. Developed from analysis and learning from Significant Case Reviews, these are day-to-day ways of working to support and protect children and young people and support improved decision making.

- 1. Child at the Centre** – The needs of children and young people are at the centre of all practice.
- 2. Relationships** – Ensuring that all relationships with children, parents/carers are effective, constructive and are central to improving wellbeing and minimising risk of harm.
- 3. Quality Assessment and Planning** – All assessments and plans are accurate and effective by achieving outcomes in meeting needs and minimising risk of harm. All available resources and tools are used to best effect.
- 4. Information Exchange and Communication** – Relevant information is shared appropriately, clear lines of responsibility for action are understood across partners and communication is effective in minimising potential risks.
- 5. Early Intervention** – Early and effective intervention is achieved where possible, minimising risk of harm to children and young people.
- 6. Professional Support and Oversight** – A culture of effective management support and/or supervision is embedded which embodies the values and principles of Fife Child Protection Committee.

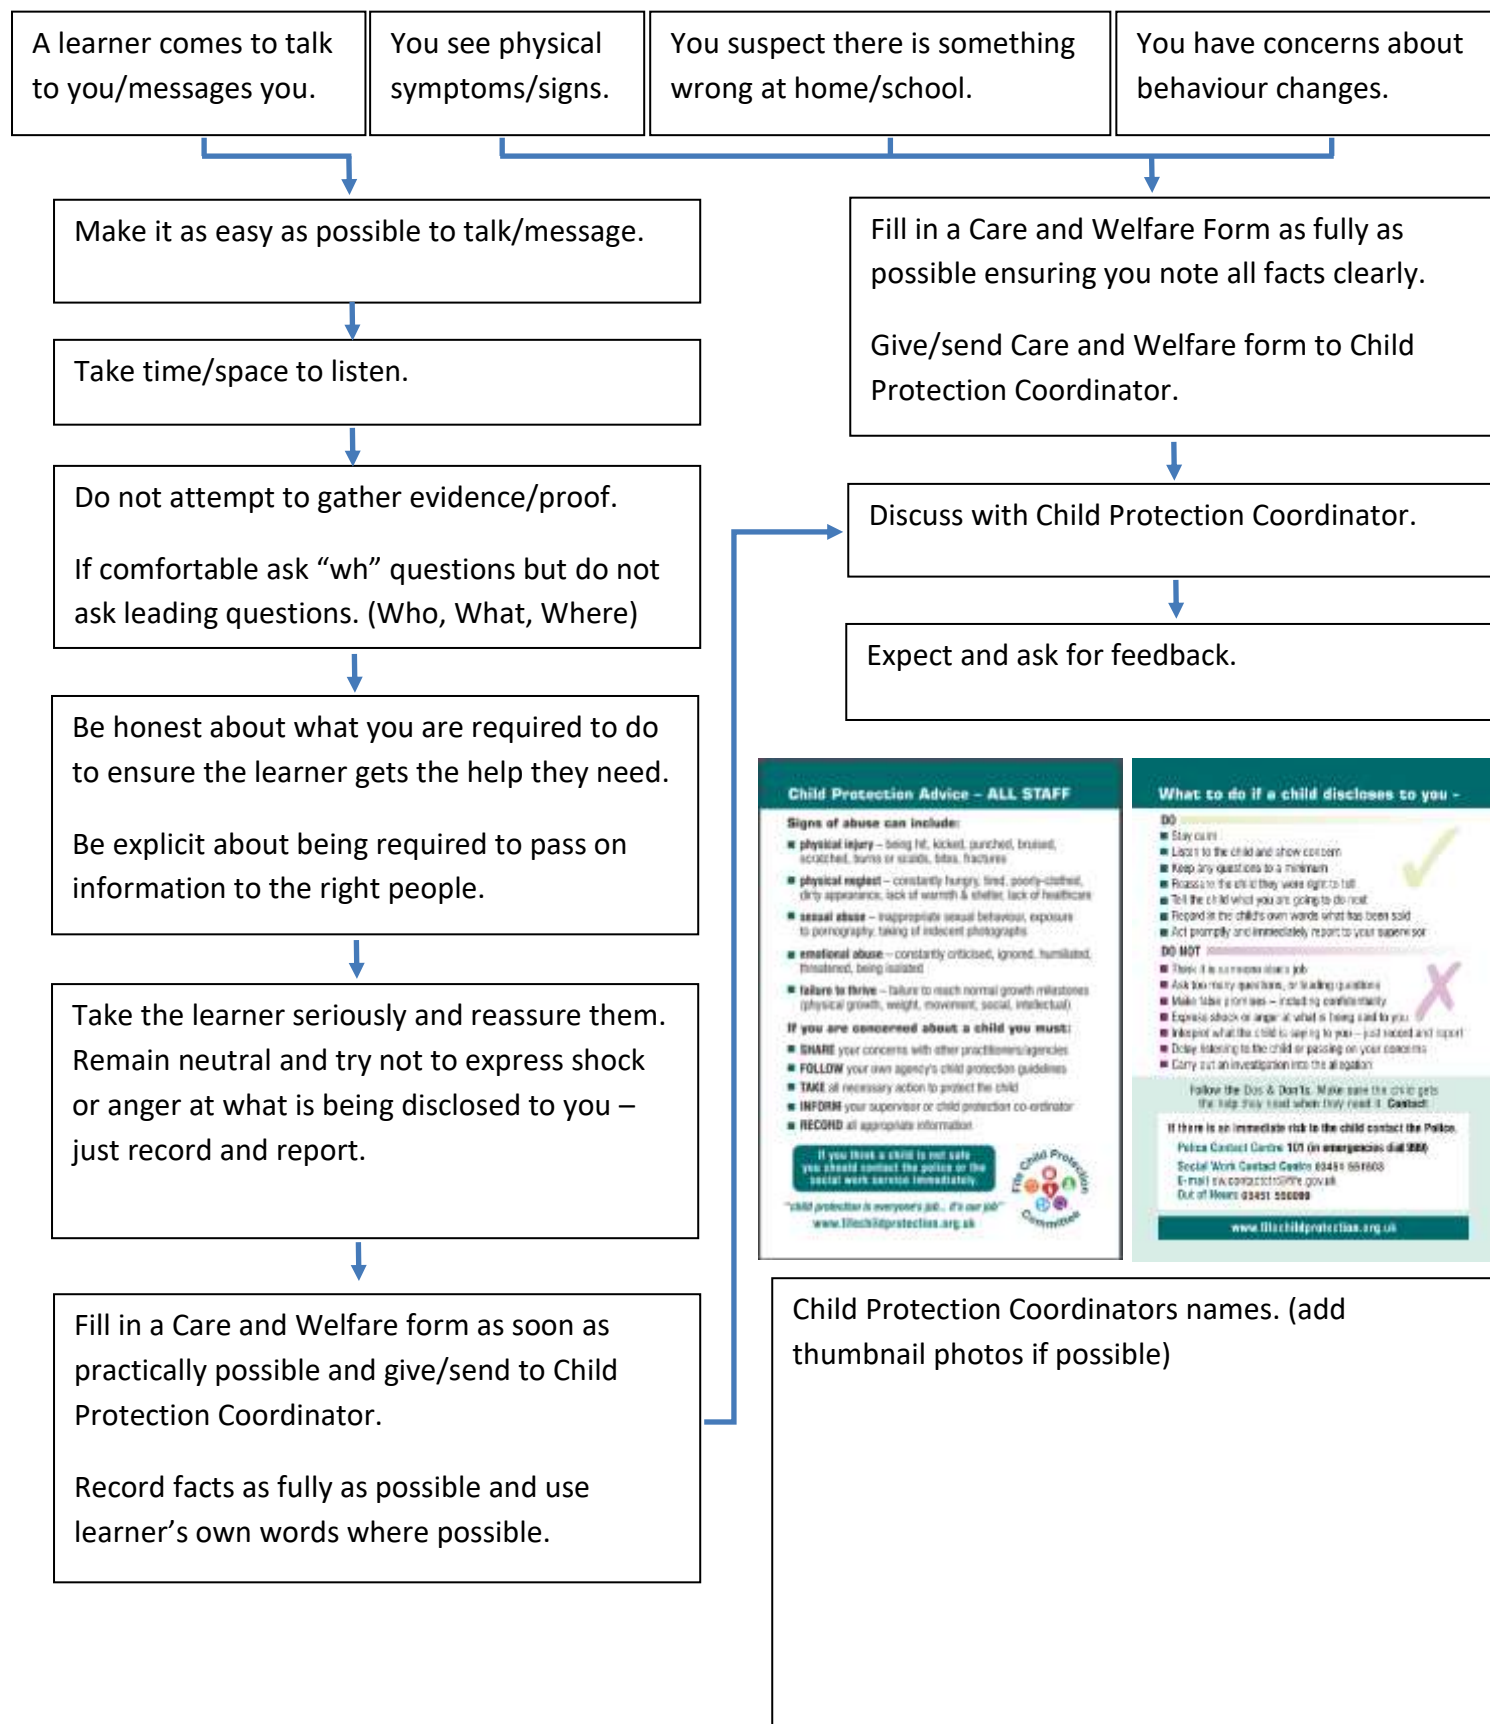

### **We recognise that:**

- The welfare of the child is paramount, as enshrined in The Children (Scotland) Act 1995
- All children, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity, have a right to equal protection from all types of harm and abuse.
- Some children are additionally vulnerable because of the impact of previous experiences, their level of dependency, communication needs or other issues.
- Working in partnership with children, young people, their parents, carers and other agencies is essential in promoting young people's welfare and wellbeing.

### **We will seek to keep children and young people safe by:**

- Valuing them, listening to and respecting them.
- Appointing a Child Protection Co-ordinator for the school and also a Depute Child Protection Coordinator.
- Adopting the processes and procedures contained within Fife's Inter-Agency Child Protection Guidance.
- Developing and implementing an effective e-safety policy and related procedures.
- Providing effective management for staff and volunteers through training, support and quality assurance measures.
- Recruiting staff and volunteers safely, ensuring all necessary checks are made.
