Church Representative: [Arianna Carlini](#) (TBC)
Parent Eco Representative: [Anya Hart-Dyke](#)

AFTER SCHOOL ACTIVITIES

Many parents have been asking when after school clubs such as football might restart. The answer is that we need parent helpers! If you can help please email the school office or contact a member of the Parent Council.

EASYFUNDRAISING

If you shop online please consider supporting the school via [Easyfundraising](#). It's easy to set up and doesn't cost you anything.

KEEPING IN TOUCH

For those of you who use Facebook, class pages can be a great place to find information or ask for advice.

For your child's class page, please follow the appropriate link:

GETTING INVOLVED

We are always happy to welcome parents and carers who are keen to support the school. In particular Jennifer would be delighted to hear from anyone who could lend a hand with organising and helping out at events at school.
Please email [Jennifer](#) to find out more.

ECO EFFORT

Anya, our parent eco rep has put a huge amount of effort into organising a second hand uniform swap. Contact [Anya](#) if you need any uniform for your child or if you would like to donate any outgrown uniform. There is also a Facebook group to help parents to swap pre-loved uniform and other items.
[Greyfriars Reduce & Reuse Group](#)
Look out for a Hallowe'en costume swap happening very soon!
