

Learning at home

Environmental print scavenger hunt

Make a list of words or letters that you want to find

Go out into the environment to look for the letters/words and tick them off your list

What you will need

Pens/Pencils

Paper

How this supports development

- Supports children's awareness of print
- Encourages pre-writing skills
- A precursor to reading and letter recognition

Supporting Play

To extend learning give an extra point if your child can sound the letter.

Role model the letter sound for your child to copy
