

Learning at home

Dancing/moving to music

- Read or watch 'Giraffes Can't Dance together
- Talk about the different dances the animals do
- Play some different styles of music and try to dance and move like the animals in the story

What you will need

Giraffes Can't Dance Story

Variety of different music

Plenty of space

How this supports development

- Encourages listening skills
- Develop understanding of rhythm and beat of music
- Encourage creativity in their movements
- Develops gross motor skills and balance

Supporting Play

You can expand the activity by including musical instruments. Use scarves or streamers to dance with. Create your own dance or put on a show for the family
