

Weekly update p1/2 week ending 3<sup>rd</sup> Nov

This week we have started our topic about space. We learned how the planets were formed, their names and how the moon was formed.

We have also been doing more work on counting in 2's, 5's and 10's. Here are some videos to help you:

### Homework

We are currently reviewing how we send homework out. You should have received a questionnaire to complete on your views.

The children will still be getting reading home weekly. I will also send home some activities relating to our topic next week.
