

Kilmaron Newsletter

26/01/2024

Huge thanks

Again, we are starting the newsletter with thanks. We had our first open afternoon of 2024 and it was super to see some of our parents come along. We appreciate not everyone can come and it's not always easy but it was nice to see. Huge thanks for the generous donations to the class café who provided shortbread and tablet for our burns theme.

Keeping busy

At Kilmaron we are keeping very busy as always. Weekly swimming sessions are back up and running for some. We are into week 2 of a riding block at RDA which has been incredibly successful. There will be a non-ridden block coming up following this. Hear My Music are back in joining us weekly on a Thursday and this will culminate in a group programme with our neighbours St Columba's primary school and we will invite parents in.

Next week is our school panto (Tuesday) and M and M productions will be providing the entertainment. Pupils from Castlehill ASC have been invited to join.

Our school photos seem to have been well received – the young people were amazing and one even had a haircut in school just before! We have had feedback that they are expensive and will look to see alternatives next time to keep costs down.

Hairdressing sessions have started – remember to fill in the form if you would like us to support:
<https://forms.office.com/e/TXZMztnxjM>

Parent Council

I am looking to host our first parent forum meeting online on February the 7th at 6.30. This meeting will be on line to make it as accessible as possible. At the meeting we would look for volunteers who may want to stand/ be elected for a parent council. This is a real chance to help us at Kilmaron, shape the direction, have your say and support the work we all do together. If you would like to attend, just pop a message to me, Gail, or via seesaw and I will send an on-line invitation.

Information

We sent out a form to gauge interest about a Burns experience – please let us know if you are interested or not (at this stage we do not have enough interest to run it):
<https://forms.office.com/e/RZ7fqJxa76>

Lastly it is the annual parent wise feedback time. This information goes to Fife council and is the chance to say how you think the school is running. Please take the time to let us know, all input welcomed: <https://www.smartsurvey.co.uk/s/ParentWise2024/>

We also have a visit from Wil Rennie (MSP) due to happen on the 5th February which we are looking forward to.

I appreciate that is many forms but all feedback and links with our families is very important to us. If the forms are tricky, just get in touch.

Thanks
Ruth Munro
