## Cupar Gala

Just a reminder that next Saturday is the Cupar Gala. This is a fun day event just across from the school at the Duffus Park. There will be a range of stalls, games and activities for children and a lovely day out. We will have a stall which will have face painting, crafts, baking and a tombola. Grateful for any donations towards the tombola or baking by Friday. Be great to see you there.

## Celebrating

We had a super performance with St Columba's and Hear my Music. A real celebration of music and inclusion that every single child participated in. Thanks to Clea and Melissa who supported and worked with us for 12 weeks to make it happen. Huge thanks to the parents who came along too.

We had M and M productions visit with a smaller show that could actually fit this time! The cast performed the Wizard of Oz and we invited some pupils from Castelhill ASC to join. It really was superb and we are grateful to happy days Charity who helped with some funding.

Thanks to those of you who came to our cuppy and a blether session. We covered personal hygiene and aspects like toileting. Strips have been made up to support independence in the shower so if you would find that helpful, or any other visuals for home, please do get in touch.

Also thanks for the donations to our café put on by our amazing seniors.
