

Kilmaron Newsletter

August 2025

Welcome Back!

We have had a great start to our new school year, and we are so happy to welcome some new families to Kilmaron. It has also been amazing to see the beautiful bright colours of our new school uniform! Thank you so much for your support with this and please know that we are just pleased to see pupils regardless of what they wear!

School Improvement this year

This year we have 4 working groups tackling our school improvement priorities. The four areas we are looking at are: Numeracy, PE, Engagement through Play and engagement through technology as part of the Fife Transforming learning project. As ever, if parents would like to support or contribute, please just get in touch.

Cuppy and a blether

For new parents and as a reminder for others, Kilmaron run a termly cuppy and a blether. These sessions are informal ways to catch up with other parents, hear about what's going on and we will share information that parents are interested in. Since starting we have looked at personal care and hygiene, sleep, restricted diets and we talked about section 23's and support from the children and family's team. Our next session will be on the 9th October at 10am and it will be an informal get together. Everyone is welcome.

Parent Forum

We run a parent forum and alternate between during the day meetings and evening teams meetings. This was to allow parents to drop in as they could. These termly are to share school developments, plans and to get your views about what we are/ should be doing. We also can create a parent council if any parents are happy to be elected to take on the role of chair. Fife Council are looking for one parent from our forum to join the Fife wide parent council group to get advice and stay up to date with Fife developments. If any parent is happy to take up this role, please let me know.

Our first parent forum will be online September 24th at 6.30pm. Any parents who would like to join please use this link [Parent Forum](#) or ask for a diary appointment to be sent.

Absence

We would like to remind parents to contact the school if any pupil is absent. Please contact the school office by phoning 01334 659 480 or text our absence line 07860003774.

As ever we will keep you posted about developments and always welcome ideas and suggestions to make Kilmaron the best it can be. Please do not hesitate to get in touch

Many thanks and happy Friday

Ruth Munro
