October 2025

What a term

Here we are already at the end of term one! It's been a quick one with lots of busy learners.

Highlights this term include visits from Starcatchers, Fiona Haldane our music specialist, Judy and Isla returning to help us with swimming and already getting out and about in the community.

We have squashed in a parent forum (thanks to everyone who managed) and this week a really well attended cuppy and a blether (thanks to our seniors for their muffins and coffees!).

But the biggest highlight has been seeing the pupils settling into this year, especially welcoming new pupils. A bonus was seeing how smart everyone is in their new uniforms!

Minibus

We were delighted to pick up our new minibus this week and it has already been out on its first adventure with pupils. It really is an upgrade from what we had and it is going to provide some fantastic opportunities to be out and about in comfort.

Dates for your diary

Friday 10 th October	Last day of term 1
Monday 27 th October	Term 2 starts
Friday 31 st October	M and M Production Snow White

Friday 19 th December	Last Day of term 2

EMA

Some of our pupils who are 16 and above may be entitled to the Education Maintenance Allowance which is £30 a week. Please follow this link for more information [Education Maintenance Allowance | Fife Council](#)

School Improvement Plan

We will be sharing our school improvement plan for this year. We have a focus on numeracy, PE and engagement through play and technology (as part of Fife's Transforming Learning priority). Here is a link to some FAQs about the 1 to 1 devices which our school will be receiving in January. [Frequently Asked Questions – Transforming Learning in Fife](#)

Due to building works this October (some window repairs), we are unable to open for our Pamis activity days. Hopefully we will be able to run these again soon.

Many thanks and we hope you have a good break.

Ruth Munro, Headteacher
