## Welcome Back

It has been such a joy to see many of our pupils back this week and we are looking forward to seeing others soon.

We hope everyone had a good break and are happy for the schools to be back!

## Staffing this term

This term there will be lots happening and some staffing changes still in place. Jenny will continue in orange class this term to support Fiona Morrisons absence and Carol is continuing to cover for Judyann. We are lucky to have Alex Barr and Fiona Fraser who are covering our non-class contact time for teachers planning and for other gaps. We are so grateful for all the support parents have given us during this time.

## To come

There will be lots this term including a trip to the modern art gallery in Edinburgh for most of our pupils. We have RDA sessions starting for 4 pupils. Swimming for a small group will continue this session with a larger group happening next term. We are hopeful to continue with different sports activities including support from visiting coaches and our own amazing team.

## Activity afternoons

On Monday's pupils will continue with a range of activity choices. This links with our school improvement work around play and pupil choice. Activities this term include sensory, PE activities, puppets, construction and a personal care group who will look at hairdressing and some de-sensitising work too.

## Learning partnership

On the 3<sup>rd</sup> of February we will have our learning partnership. This year is a full day event, and we will be joined by our Education Manager and the director for education. This is part of our self-improvement cycle, and we really would like our parents to be a part of it. Our parent group will be at 10.30 and we are really hoping as many of our parents possible can join us for a 30-minute chat. They are looking at how we are doing as a school and all feedback we welcome.
