March 2026

Strike information

Unfortunately, we are in a position that the school may need to close due to industrial action. The strike days are planned for the 17th and 23rd of March. We remain hopeful that a resolution will be found and the school will be open. As soon as we have more information, we will be in touch.

Visitors

Recently we had a visit from Councillor Ann Verner. She visited to look at our building and heard our parent forum were interested in having a meeting with a representative from Fife Council. As you may have seen from seesaw, Donnie MacLeod (Head of Education) is now planning a visit to meet with parents and hear any concerns or positives. We would welcome any parents who would like to join us on Monday at 1.30.

Cuppy and a blether

Our next cuppy and a blether will be a chance to come together and chat. We are having this one as an open one. Following some recent reviews and parental interest our next one (after Easter) we will be looking at puberty.

Recent events

We have been busy in the school and out and about. Most recently many of the school managed a trip to the Gallery of Modern Art (Edinburgh) for some inclusion art sessions. This was superb and they are running further sessions for parents and children in the holidays and have a changing space, so we highly recommend.

Hear My Music have been working with every pupil/ class since January and involving some pupils from Bell Baxter. We invite all parents to our sharing session at 1.45 next week to see what they have been working on.

We had a lovely world book day with lots of literacy love! Each class offered different literacy activities, and we had treasure hunts around the school.
