What we've been up to

It's been a busy couple of weeks at Kilmaron. Our football sessions with Active schools have started up. Many of our pupils are loving it and developing their skills. The classes have been back at swimming and we have been making the most of the good weather on our trikes, bikes and scooters. Our senior class harvested some of our orchard fruit and donated it to Newport bakery. In exchange we got to sample their cakes for free!

Keeping in touch

Thanks to everyone who responded to our questionnaire. 100% of responses from parents were in favour of moving to Seesaw as a way to keep in touch about progress. This will take some time to get organised but we will share information about it when we are ready to go.

Our review cycle has now started and you will be receiving dates across this term and next inviting you to a review. If the dates or times don't suit, just get in touch and we can reschedule.

We are also due to have parent information sessions and we are looking at ways to make this most accessible. Rather than one evening, we wonder if arranging a time across the week with teachers might work better via teams or in person. Let us know if you have any thoughts about this.

Please look out for Cupar Big Weekend leaflets in bags!

Sickness or Absence

As we approach the cold and flu season, we always see a rise in absence. We understand that with our pupils it is really important to stay off and allow a chance to recover. We also have several pupils who will require time off for a range of appointments. Please could we ask that you contact the school to notify us if your child is to be off and the reasons for the absence. You can call the school on **01334 659480** or feel free to text our group call number on **07860003774**

Here is information about when to keep your child off:

We will have the nursing team in for flu vaccinations on the 20th September.

Hope you all have a lovely weekend
