

Kilmaron Newsletter

25/08/2023

First full week

What a lovely first full week back. The pupils have been engaging in lots of fun and exciting activities this week including our first week back at swimming. Many of our pupils enjoyed sessions at East sands and Cupar pool supported by Judy our swimming coach.

We have also been learning about our bodies, our senses using technology to create music. Class 4 even made music from dipping fingers into yoghurt! We also welcomed back Brendan who is working with us weekly on Developing the Young Workforce, currently we are looking at team work. We also had a birthday in Class 1, Happy Birthday Hayley!

On the way

We will use the newsletter to flag up important dates and events.

The Fife flu immunisation programme starts on the 11th September and we will notify you when this is happening within school. Our wonderful nursing team here will be supporting this so date may vary.

We would like you to know that we are looking at dates for parental engagement. It is the plan to have 2 parents' evenings in the year and an annual review for everyone. We are also looking at sessions for parents to come in and share our learning.

Any interesting opportunities we find that may be suitable for our pupils will be shared via our Facebook page.

Next week we welcome back Fiona Haldane who is our music specialist and will be working with all classes every second Monday.

Reminders

For those who haven't managed to fill out our questionnaire on communication, here is the link again:

<https://forms.office.com/e/mYrDqGNrd6>

Please ensure your flu immunisation forms are completed and returned.
Also, any annual data forms to be returned as soon as possible.

Thank you

Just a big thank you to everyone who has given a voluntary contribution towards our snack/cooking fund. We really appreciate this and the opportunities this creates for our pupils.

Happy Friday
Ruth Munro
Headteacher
