

Dear Parent/Carer,

As part of our home/school partnership, we are aware that parents would like to know what their child(ren) are learning in school. Please use our 'Learning Letter' to discuss your child's learning with them.

Please find an overview below of the areas we will be looking at this term. These are the overarching 'Learning Intentions' for the whole class for the term. Individual children's targets may differ slightly based on need.

Please don't hesitate to contact the school if you have any queries or if there is something you feel you could support us with.

Miss Coe

P4-7

Literacy	Reading	<ul style="list-style-type: none">• We are continuing to develop our fluency, expression, pace and understanding of punctuation and dialogue in reading aloud.• We are continuing to develop our range of skills and strategies to help us read and understand texts. We will use these skills to answer 'Literacy Key' tasks.• We are learning to find and select information from factual texts, using layout and content to help us.• We are learning to acknowledge our sources independently.• We will use our skills relating to factual texts as we research our personal projects.• We are learning to ask, answer and create a range of questions about a text. <p>Our P6/7 reading and comprehension learning this term will be based around the graphic novel 'When Stars are Scattered'.</p>
	Writing	<ul style="list-style-type: none">• We are learning to write discursive texts.• We are learning to write information reports.• We are learning to write science reports.• We are learning to write graphic texts- story boards and comics.• In Grammar we are also learning about prefixes/ suffixes, openers/ conjunctions, and plurals, as well as revising key grammar learning from the year (e.g. apostrophes for possession and contractions, colons and speech marks.)• We are continuing to apply our ongoing spelling work to all areas of literacy.

		<ul style="list-style-type: none"> • We are learning to proofread and edit pieces of writing. • We are continuing to develop our tools for writing through QI Writing methodology- our focus this term will be creating sentences of different lengths and structures, by using a variety of punctuation and conjunctions.
	Listening & Talking	<ul style="list-style-type: none"> • We are learning to create factual texts through researching and presenting our personal projects, giving a personal response that shows some analysis. • We are developing our knowledge of and confidence in using features of spoken language such as pace, eye contact, tone, gesture and expression. • We are learning to use resources effectively to support and enhance communication when giving a talk.
Numeracy		<ul style="list-style-type: none"> • We are learning to work confidently with decimal fractions to sequence, order and use them with the 4 operations. • We are continuing to develop our mental maths fluency at our own level. • We are learning to carry out calculations involving money to work out profit and loss in buying and selling. • We are learning to budget for spending • We are learning about advantages/ disadvantages of using credit/ debit card • We are learning about length, perimeter, area, weight and volume. • We are learning to calculate the area of squares, rectangles and right-angled triangles. • We are investigating probability and chance.
