Please let us know of any appointments for young people as far in
School advance as possible.
Please contact the school as soon as possible in the morning to advise
of your child's absence in the event of an unplanned absence. This
can be done using phone, e-mail or 'parentsportal' app.

	Version de la constitución de la
	 You can also respond to the text message that we send to notify of reason.
	It is important that your child's absence is recorded appropriately so
	please ensure that you contact us.
	Every effort should be made to avoid family holidays during term
	time as this disrupts education and reduces learning time.
Lateness	If your child is late to school (after 8.45am) they should sign in at the
	school office. They will be issued a note to explain to their class
	teacher.
	Our PSOs will be on hand P1 around reception to support with any
	issues.
	We have updated and shared our latecoming process. This can be
	viewed on our website
Unwell at school	If your child is unwell during the course of the school day, then it is important
	 they follow the correct procedures: Pupils should report they are feeling unwell to their class teacher
	who will send them to the school office. Teachers should issue a
	note.
	The school office will check with Guidance Teacher or Year Head and
	contact a parent / carer (or emergency contact) if a pupil is being sent
	home. You must make arrangements to collect your child from
	school.
Mobile phones	Mobile phones should not be out/used in class unless for educational
	purposes as directed by a teacher.
	Pupils are only allowed to use their phones during interval and
	lunchtimes.Earbuds/earphones should not be used and should be removed when
	in school.

	WhatsApp or any other social media platform.

	Pupils who are entering for a packed lunch should enter through the
	fire door outside the lunch hall.
	Only pupils with passes are allowed into the lunch hall whilst there is
	a queue.
	Pupils who have pre-ordered their lunch can collect this from outside
	A11 or the collection point in the dining hall. <i>Please enter via fire</i>
	door for this, showing your receipt.

	Pupils not eating or just getting soup should join the normal queue.
	Our lunch hall has a one-way system – entry via the War Memorial
	door, exit via the fire exit to the main Quad
Pupil access to	 At break and lunch, young people should access the school via the
the building	entrance at the War Memorial. No other entrance should be used.
during breaks	 Pupils should not enter through the main visitor entrance at break or
and lunch	lunch. This is to allow visitors ease of access without large crowds gathering.
	 Pupils should be outside for breaks and lunch, except where they are accessing clubs, quiet spaces etc. with appropriate passes and / or the weather has deteriorated. If pupils are indoors, they should be on the ground floor, in the lunch
	hall.
	 When weather is inclement, young people will be directed to use the lunch hall. If this is too busy, young people will be directed to use ground floor areas at the War Memorial and at the maths corridor. When the weather is extremely inclement, pupils will be directed to areas per year groups indoors – S1/2 PE Gym halls, S3 Lunch hall, S4 ground floor, S5/6 Library.
Pupil access to toilets	During the school day, young people can access the main toilets in the maths corridor, toilets outside drama and other toilets as appropriate around the school. Where possible, pupils are encouraged to access toilets at break / lunch so that they are not
	missing out on learning.
	 At break and lunch, young people can access toilets in the quad area.
	Young people should not access toilets above the ground floor at
	these times unless participating in planned activities / lunch clubs etc.
PE Valuables and changing room information	 Mobile phones should not be visible / used in any of our changing rooms. If this is reported, young people can expect serious consequences.
	 Where possible, pupils will be spread evenly between the 'junior' and 'senior' changing rooms, especially when one year group is down at the same time.
	 Staff will consistently remind pupils to bring all valuables out with them.
	 Staff will collect all valuables where registration takes place and then lock in the staff base.
	 All changing rooms will be locked and will not be reopened until the end of the period (or double period). Staff who are teaching in the Boys/Girls Gyms are responsible for locking the 'junior' changing rooms. Staff who are teaching in the Games Hall, Fitness Suite or Balcony are responsible for locking the 'senior' changing rooms.
	 After lessons, pupils can only collect valuables after they have changed back into school uniform (apart from after period 7).
	 After lessons, staff will either be outside the PE staff base or at the bottom of the PE steps. This is to give back valuables, but also act as a presence to hear any disruption coming from the changing rooms.
	Staff will quickly check changing rooms at times to speed up pupils getting changed and monitor behaviour, by knocking on the door and

- announcing their presence. It must be noted however, that staff will not be required to be in changing rooms for a prolonged length of time, unless dealing with an incident where they will be supported by another member of staff.
- We have very limited individual changing facilities (2 disabled toilets), but will use these to support pupils.
