

The background of the slide features the logo of the University of KwaZulu-Natal. It consists of a circular emblem with a yellow border containing the motto 'KIRIKO' on the left and 'LABOR • TOC' on the right. In the center of the emblem is a stylized illustration of a building with three prominent, tiered spires. The building is rendered in grey and black outlines, with a red rectangular area at its base. The entire emblem is set against a light blue and green background.
