Dear Parent / Carer

Easter School Programme 2025

As we approach the Easter break, we are pleased to announce the Kirkcaldy High School Easter School Programme for Senior Phase learners. This offers S4/5/6 learners the opportunity to engage in additional study support during the Easter holidays. Our teachers have volunteered their time to lead sessions in a variety of subjects. While we strive to offer as many opportunities as possible, not every subject is available. The times also depend on teachers' availability which does mean that some subjects are scheduled at the same time.

The programme can be viewed on the following page, and learners should sign up at the link below so that we can plan for numbers:

Please encourage your young person to take advantage of this valuable opportunity. It will be a useful support in the run up to the exams and offers a chance to consolidate knowledge and build confidence.

Kind regards,

Mrs Hume (S4 Year Head)

Rector : Mr Chris McKay
