

The cover features a white background with a pattern of thin, light grey lines. Some lines are solid and curve across the page, while others are dashed. A large, solid red shape is centered on the page, resembling a speech bubble or a callout box. It has a rectangular top section and a larger, rounded rectangular bottom section with a pointed bottom edge. The text is white and centered within the red shape.

## CHAIR'S REPORT

2020 was not the year any of us expected due to COVID-19. Yet, despite the pandemic, the school became an even more vital part of the local community.

Our thanks go to Mrs Barker, Mrs Sanderson, Mrs Brocklebank, Mrs Grieve, Mr Findlay and all their colleagues for performing minor miracles to keep our children engaged and on track through what has been the most challenging year in generations.

In 2020 the Parent Council did what we could to continue to support the efforts of the school. We focused on these key areas:

- Using our existing funds to help the school deliver the best possible learning experience for all pupils, given the circumstances
- Conduit to Fife Council for parent feedback on education during the pandemic

It is important to note that, although we were unable to conduct any fundraising activity in 2020, the funds we were able to use to support pupils' learning at this crucial time were a legacy of support from parents/carers and relatives. Our thanks as a Parent Council go to all parents/carers, relatives, neighbours and all staff at the school for everything they do to support our work. We hope to come together in person once again when the time is right in 2021.

In the meantime, we are always keen to hear from parents/carers and welcome ideas for activities the Parent Council might explore in the future. All parents/carers are welcome to attend our meetings (virtual for the time being) – we look forward to seeing you soon!
