CHAIR'S REPORT

In 2019 the Parent Council worked hard to continue to support the efforts of the school. We focused on three key areas:

- To support Mrs Barker to settle into her new role as our headteacher
- To work with the school to ensure its plan and policies create a supportive learning environment for all pupils
- To raise funds to help the school deliver a great learning experience for all pupils

It is important to note that parents/carers and relatives continued their generous support of the fundraising activities of the Parent Council. Our thanks as a Parent Council go to all parents/carers, relatives, neighbours and all staff at the school for everything they do to help organise events and support our work.

We are always keen to hear from parents/carers and welcome ideas for activities the Parent Council might explore in the future. We hold 4-5 meetings a year and all parents/carers are welcome to attend – we look forward to seeing you soon!

Stuart Macdonald, Chair, Kirkton of Largo Parent Council
