

The cover features a white background with a pattern of thin, light grey lines. Some lines are solid and curve across the page, while others are dashed. A large, vibrant red shape, resembling a speech bubble or a stylized letter 'E', is centered on the page. It consists of a horizontal bar at the top and a larger rectangular body below it, with a small triangular point at the bottom center. The text is printed in white on the red background.

CHAIR'S REPORT

Despite the continued challenges presented by the ongoing pandemic, Kirkton pupils and staff demonstrated immense resilience and determination, managing whatever Covid-19 threw their way. They are the stars of the show!

The Parent Council was proud to do what we could to support the work of the school in creating the best learning environment for all our community's children. This would not have been possible without the amazingly generous support of parents, carers, friends and relatives – thank you all so much.

As a result, in 2021 the Parent Council was able to continue to support the work of the school in the following key areas:

- Using our existing funds to help the school deliver the best possible learning experience for all pupils, given the circumstances
- Conduit to Fife Council for parent feedback on education during the pandemic and beyond

Thank you to Mrs Barker, Mrs Brocklebank, Mrs Watson and all the Kirkton team for the tireless job you do for our children. We hope to come together in person once again to properly thank you when the time is right in 2022.

In the meantime, we are always keen to hear from parents/carers and welcome ideas for activities the Parent Council might explore in the future. All parents/carers are welcome to attend our meetings (virtual for the time being) – we look forward to seeing you soon!

Stuart Macdonald, Acting Chair, Kirkton of Largo Parent Council
