<p>Matters arising</p> <ul style="list-style-type: none"> • Previous minutes accepted • Declining school roll : communications been had with Mrs Barker and Alan Cumming. Mrs Barker felt Covid had restricted the options open to us to increase school interaction, as per PC’s proposed solutions, but very happy to do so when conditions allow. • Day now finishes at 3pm. Were parents actually ever informed of this? • Christmas fund raising was a big success. Some good ideas to carry forward to next year. 	<p>Mrs Barker to establish what school is allowed to do within current Covid restrictions. Revisit proposed solutions if we are able to do so.</p> <p>GS check what was communicated about the school finish time. UPDATE post meeting – this is to be formalised after the Easter break, info to go out soon. Covid mitigations requiring staggered start/finish mean no official change while the staggered finish is in place.</p>
<p>Finance report Bank balance unchanged at £1036.95</p>	
<p>Parent Council future Declining numbers and lack of interest in Parent Council are of significant concern. Sadly there is a real possibility the PC could cease to exist, with associated implications for loss of fund raising and social events. SMac and GS both wish to stand down from their posts.</p>	<p>SMac draft and circulate survey re Parent Council’s future to parents</p>
<p>Leadership proposals</p> <ul style="list-style-type: none"> • SMac pointed out that the FTE figures don’t add up. The current proposals show a reduction in leadership FTE time of between 0.3 and 0.8, despite Fife Council representatives stating the leadership capacity would be increased by the proposed changes. • Agreed that KOL PC response to include <ul style="list-style-type: none"> ○ that teachers need to be consulted about future proposals from Fife Council and happy with the decisions made. ○ There needs to be recognition of the staff in place who are shouldering the responsibility ○ Confirmation of availability of/ access to specialist teachers 	<p>SMac draft response to leadership proposals and circulate.</p>
