

Largoward Primary School - Homework Challenges

Term 2: October - December 2023	
Class: P2-7	Teacher: Miss Morrow and Mrs Marwood

The deadline for all homework challenges to be completed is **Friday 15th December**. You can complete the challenges in any order you want. Completed tasks can be brought in to school or emailed to Miss Morrow using gw21morrowjill@glow.sch.uk or they can be uploaded to the homework channel on our Largoward Team.

	Description of Homework Task: (including learning intention and success criteria)	Instructions:	Any other information:
Outdoor Learning and Expressive Arts	<p>I can use exploration and imagination to solve design problems related to real-life situations.</p> <p>Design a Christmas tree/seasonal decoration using natural outdoor materials.</p>	<ul style="list-style-type: none"> • Collect some natural materials when out and about e.g. sticks, leaves, feathers, etc. • Use your natural materials to design and make a hanging decoration (no bigger than a drinks can). • As an additional challenge can you incorporate your house colour into your decoration design? • Please make sure your decoration is clearly labelled with your name and class as they will be used to decorate our school Christmas tree and we will return them at the end of term. 	<p>You can enhance your design with additional media such as glitter if you wish.</p> <p>Please bring your completed design into school anytime from 1st December.</p>
Health and Wellbeing - Being Active.	<p>I can develop my physical strength and stamina.</p> <p>I can create a varied exercise routine which I can repeat and show to others.</p>	<p>Create either a gym or fitness routine which you can show others - you may even be able to persuade some of your family to join in.</p> <ul style="list-style-type: none"> • The gym routine must include at least 4 different activities which may include e.g., balancing, rolling, twisting... 	<p>You can write about, draw or photograph your routine before emailing or uploading it.</p>

		<ul style="list-style-type: none"> The fitness routine must include at least 4 varied aerobic activities which help to build your stamina. 	
Literacy	<p>I can create a text.</p> <p>I can create an interesting three-dimensional shape poem about an object which I have at home.</p> <p>I can make the text interesting by using a wide variety of adjectives.</p>	<p>Create a three- dimensional shape poem about an object using an object at home.</p> <ul style="list-style-type: none"> Find an interesting object and think of as many descriptive words and phrases to describe it as possible. Remember to use your senses to give you ideas about e.g., what the object looks like, smells like, feels like.... Now think about how you could attach your ideas to the object. <p>e.g.</p> <ul style="list-style-type: none"> If you write about a cereal box, you could turn the box inside out and write on it. If you write about a toy, you could write your ideas on post-its and stick them on. If you write about your Dad's socks, you could write the ideas on paper and ask someone to help you pin them on. 	<p>You can upload a photograph and/or bring in your poem.</p>
Social Studies	<p>I can show an awareness of how others celebrate important events.</p> <p>I can research how Christmas is celebrated in another country.</p> <p>I can share my research with others.</p>	<p>Research about how Christmas is celebrated in another country. You can e.g. find out about how people say, "Happy Christmas," special foods which are eaten, activities which people do, decorations which are made/used...</p>	<p>You can now share what you have found out with others by e.g. writing or drawing before you bring in, email or upload your work.</p> <p>Upper school pupils could share their information as a SWAY, recorded video, PowerPoint or any other way that would be appropriate.</p>

**Additional
Home
Learning
Suggestions:**

This is a list of other optional activities to support learning at home:

- Complete weekly reading to develop fluency and vocabulary.
- Numeracy:

Blue- Recognise coins and notes. Make some amounts of money up to 20p.

Green - Recognise coins and notes. Read some prices less than £1 - Which coins could you use to pay for them?

Red - Calculate the cost of 2 items. Think about which notes or coins you could use to pay for them. What would your change be from £1, £2, £5, etc?

Yellow- Calculate the cost of collections of items by using a calculator. Which coins and notes could you use to pay for them? What would your change be from £1, £2, £5, etc?
