World Book Day – Thursday 7th March 2024:

On World book day the children will be engaging in a wide range of book related activities to help promote a lifelong love of reading and books. Please can the children bring in their favourite book to share. We also have a special book day quiz planned where the children will compete in their houses for extra points!

On Friday 1st March all children received their £1 token that they can exchange in stores for a special world book day book or put towards the cost of a book.
