

Largoward Primary School - Homework Challenges

Term 4: April - June 2024	
Class: P2-7	Teacher: Miss Morrow and Mrs Marwood

The deadline for all homework challenges to be completed is **Thursday 20th June**. You can complete the challenges in any order you want. Completed tasks can be brought in to school, emailed to the office or they can be uploaded to the homework channel on our Largoward Team.

	Description of Homework Task: (including learning intention and success criteria)	Instructions:	Any other information:
1+2 Languages BSL	Can you learn our BSL song for term 4? The pupils voted 'Three Little Birds' by Bob Marley. EXTRA CHALLENGE: Can you learn to finger spell the alphabet and your name?	Follow this link to view the video - Three Little Birds - Bob Marley & The Wailers - SignSing (youtube.com) Remember you can change the playback speed using the You Tube settings if it is going too fast for you. Learn the alphabet using these videos to help- How to sign the alphabet in British Sign Language (BSL) - Right handed - Signer point of view (youtube.com) OR How to sign the alphabet in British Sign Language (BSL) - Left handed - Signer point of view (youtube.com)	Mrs Bain will check on your progress at assembly time.
Ethos and Life of the School -	It is the Largoward sports day on Monday 17 th June (back-up date is 24 th June).	Use an old cardboard box or sheet of card. <ul style="list-style-type: none"> • Include your house name • Include your house colours • Include your house motto 	Please do not bring into school until Friday 14 th June or on sports day.

House challenge	Design a poster or placard to cheer your house on at sports day.	<ul style="list-style-type: none"> • Ensure you can hold it up and it will be sturdy 	
Sciences	<p>LI: Through exploring properties and sources of materials, I can choose appropriate materials to solve practical challenges.</p> <p>Ahead of our new topic, Homes...now and in the Past, an aspect of this will include investigating different materials.</p>	<p>When out and about, could you safely collect different materials (perhaps do a litter pick or collect interesting objects on the beach?)</p> <ul style="list-style-type: none"> • How many different materials can you collect? • What are they made of? • Are these materials natural or manmade? <p>TASK: Can you create some recycled/repurposed artwork with what you find?</p> <p>Take a photograph or draw a picture of what you find (or bring your works of art in to school).</p>	This challenge has been set by Mrs Marwood. Please bring in to share on a Thursday or Friday
Numeracy	LI I can show an understanding of ways in which Maths impacts on/has impacted the world around us.	<p>Create an information poster about how Maths/Numeracy impacts/has impacted the world around us e.g. in every- day life, the world of work, discoveries, old number systems....</p> <p>Think about how you can use your information poster to share your ideas with others.</p>	This homework challenge has been set by Miss Morrow. What features make a good poster? Ensure it is clear, easy to read and has a balance of text and images. If you need any paper for your poster please ask a teacher. Bring your poster in to share.

<p>Art and Design</p>	<p>LI I can use visual elements to create a picture or model.</p>	<p>Create a detailed picture or model about either The Ancient Egyptians, Space or Houses and Homes. (Previous and current topics from this session)</p> <p>In particular, think about how you could include some or all of the visual elements of pattern, form (3D) and texture (way something feels or looks like it would feel.)</p>	<p>This homework challenge has been set by Miss Morrow. You can be as creative as you like with this challenge! Bring your completed art work in to share. If you need any paper or other resources please let us know.</p>
<p>Additional Home Learning Suggestions:</p>	<p>This is a list of other optional activities to support learning at home:</p> <ul style="list-style-type: none"> • Practice the BSL signs of the week that are shared on the weekly newsletter • Read your library books from the mobile library • Login to your Sumdog account and play games to practice your mental maths and grammar • Visit the learning at home section of our school website for additional ideas - Learning at Home Largoward Primary School (glowscotland.org.uk) • Scout around at home and in your garden...do you have any lengths of wood, clean barrels or milkcrates, any tarpaulins or logs that we could make use of in school for loose parts/outdoor learning? If so....please ask your grownups to bring them in, we'd really appreciate it! • Do you have any spare/old waterproofs, wellies, warm outdoor clothes or overalls that other children could use? If so, bring them in to school so other children protect their indoor clothes, whilst getting overalls nice and mucky in Outdoor Learning! • WOOL...does anyone you know have any string or wool that they would like to donate to school? Please ask any relatives/friends as we could make use of this and any other spare materials. • <u>Numeracy</u> Keep practicing your tables- This will really help with division work, which we will be working on this term. <ul style="list-style-type: none"> ○ Blue Group – learn 2X Table. ○ Green Group – Learn 2X ,4X and 5X Tables. ○ Red Group – Learn 5X, 4X, 3X and 6X Tables. ○ Yellow Group – Learn 3-12 X Tables.
