Dear Parent/Carer/Community Member,

I hope this message finds you well?

Active Schools are currently running a volunteer recruitment drive within the Madras College Cluster, in which we are looking for volunteers to support us in the delivery and support of Extra Curricular sporting activity.

As you may be aware Active Schools Fife aim to provide more quality opportunities to take part in sport and physical activity before, during lunchtime and after the school day and develop effective pathways between schools and sports clubs in the local community. We are currently striving to recruit volunteers both with or without experience in sport within the Madras College Cluster.

It is important to us to have volunteers input into your school where appropriate to provide a sense of belonging within the school and community.

This year we aim to:

- Increase the number of extra-curricular opportunities within our cluster schools.*
- Consider targeted provision that best suits your schools needs.*

Could you be a volunteer?

*There are a number of **different roles** volunteers can carry out. These include - coaching, assisting the delivery of activity sessions, supporting events, refereeing, admin, marketing and mini bus driving. **Training and support** will be provided and volunteers with Active Schools have opportunities to learn new skills, gain experience and often qualifications. You can decide how often you would like to volunteer, we are flexible in our approach and we will work around your availability.*

If you have a keen interest in a specific sport or just sport in general please fill out the below application form to begin your volunteering journey at your local primary school or at Madras College.

*Thank you,
Madison Garland*
