Tesco Stronger Starts:

We received the exciting news this week that our Outdoor Learning project came 3rd and we have been awarded £500 by Tesco. Thank you to everyone who voted. The funds will be a huge help in our ongoing development of outdoor learning at our school. This week we received delivery of our loose parts and we can't wait to start playing and learning with them. Thanks to Scrap Antics in Dundee!

Indoor Shoes:

It is that time of year again where the school garden is very muddy but we still want to use it as much as we can. It is really important that everyone has a change of shoes in school to keep the indoor learning environment nice and clean. Please contact Mrs Bain using largowardps.headteacher@fife.gov.uk if the school can help by providing a change of shoes.

BSL Signs of the Week:

Focus For Term 2:

We have started term 2 by learning the BSL signs for the weather. To practice at home try watching these videos:

- [LEARN BSL: Weather. Great for beginners! Learn basic signs for weather in British Sign Language!](#)
- [The Weather Today \(BSL\)](#)

We will then be moving on to learn the days of the week and months of the year.

We are linking our BSL to our French learning. We hope that by the end of this term the children will be able to complete the calendar in BSL and in French!

Our BSL song for term 2 is 'Merry Christmas Everyone' by Shakin Stevens. We will be performing this at our Christmas concert. Try practicing at home so you can join in with us!

Manta Trust – Live Lesson:

On Thursday the class watched a live lesson from the Manta Trust about what manta rays are and how to become a marine scientist, so afterwards we went outside with measuring tapes to draw a life-sized manta ray. The children wanted to share this picture with you all! Wow – look how big it is!

Family Activity Day

Saturday 9 November 12-4pm

Join us at the Wardlaw Museum for a stellar family day out with Space Explorers! Dive into the wonders of the Universe with a day packed full of creative activities, live music, hands-on science experiments, and more. Explore our place among the stars through the lens of art and science and let your imagination soar.

This event is part of Being Human Festival, the UK's national festival of the humanities, taking place 7-16 November 2024.
