## **Scottish Poetry:**

This week in school all pupils are being supported to select a Scottish poem to learn. They will be given a copy of the poem to take home and will be supported in class to learn and understand their poem. Parental support and encouragement to help their children to practise their poem at home is appreciated. This will also be a homework challenge for this term and pupils can earn house points and raffle ticket for trying their best to learn as much of their poem as they can.

The Burns Society will be in school to listen to pupils perform their poems on Tuesday 28<sup>th</sup> January. The competitive aspect of the Scottish poems is optional but all pupils are encouraged to try their best. The Burns Society will be presenting prizes and certificates.

## Smartphones and Children : Information Evening

### Hosted by Lawhead Parent Council

In June 2024, Lawhead Parent Council carried out a parent survey on smartphones and children.

\* 82% of respondents were concerned about children being exposed to inappropriate material through a smartphone.

\* Parents worried about bullying and recording/filming without consent.

\* 60% of parents said they would be interested in workshops providing more information on the topic.

\* 64% said they would like the opportunity to make a voluntary pledge delaying smartphone ownership and 22% were unsure and wanted to find out more.

Since the start of this school session we have shared our findings with other schools in St Andrews, our MSP, our MP and the Rector of Madras College. The survey has already been discussed by the parent councils of Greyfriars and Canongate, Mr Rennie's office, Ms Chamberlain's office and Ms Gilruth, Education Secretary have all replied.

On **Monday, January 20, 2025** we would like to invite interested parents to share information and discuss this matter informally. We will present information on the advantages and disadvantages of this technology for children, alternatives to smartphones for children, and local and national developments

### **Monday, January 20, 2025. 6-7PM at Lawhead Primary School, St Andrews**

We plan to discuss:

- + Concerns expressed in our recent parent survey
- + The advantages and disadvantages of children having their own smartphone
- + Local, national and international developments
- + Some alternatives to smartphones, including tracking options
