### **Café Inc – Easter Holidays:**

Fife Council's hugely successful Café Inc will be back during the Easter holidays (Monday 7 – Friday 18 April) for children and young people across Fife. The free lunch club provides tasty, healthy meals for our children and young people while our schools are closed during the holidays. No need to book, just turn up. Please be aware that meals are available only while stocks last. Children under 10 must be accompanied by an adult, who can also have a meal, subject to availability.

Cafe Inc venues will all be listed on our interactive map no later than Friday 4 April. This is along with other advice and help with the Cost of Living, at [Cost of Living Support](#) .

## Community Mental Health and Wellbeing Support for Children and Young People in Fife - 2025 Survey

Dear Parent/Carer,

The Education Directorate are working in partnership with Fife Voluntary Action to gather information from **young people** and their parents/carers/family members about mental health and emotional wellbeing services in Fife.

We want to hear directly from people who have used or considered using these services. Your feedback will help us to consider what community-based mental health and emotional wellbeing supports are needed across Fife beyond 2025. All answers are anonymous, so please be as honest as you can.

**There are two surveys available:**

[Parents/Carers and Families Survey](#): Open to families of children and young people aged 5 to 26 years.

[Young Person Survey](#): Open to individuals aged 12 to 26 years.

We encourage you to ask your young person to complete the survey as well, so we can gather their valuable feedback.

Thank you for your time!
