## Community Mental Health and Wellbeing Support for Children and Young People in Fife - 2025 Survey

Dear Parent/Carer,

The Education Directorate are working in partnership with Fife Voluntary Action to gather information from **young people** and their parents/carers/family members about mental health and emotional wellbeing services in Fife.

We want to hear directly from people who have used or considered using these services. Your feedback will help us to consider what community-based mental health and emotional wellbeing supports are needed across Fife beyond 2025. All answers are anonymous, so please be as honest as you can.

**There are two surveys available:**

**[Parents/Carers and Families Survey](#)**: Open to families of children and young people aged 5 to 26 years.

**[Young Person Survey](#)**: Open to individuals aged 12 to 26 years.

We encourage you to ask your young person to complete the survey as well, so we can gather their valuable feedback.

Thank you for your time!

## BSL Signs of the Week:

The pupils have been learning basic greetings and introductions.  
Please try and practice at home - [Basic Greetings, Manners and Phrases in BSL for Beginners](#)
