Curriculum Areas and Subjects	Literacy – Phonics/Spelling: Our school website contains information on the phonics/spelling progression we follow at Largoward. During term 1 and 2 we will be focusing on the following sounds/spelling patterns in class: The children will be practicing common words and word lists once assessments are complete. The children can practice their spelling using look, cover, write, rainbow writing or silly sentences.	Follow this link to the phonics/spelling section of the school website - Spelling Largoward Primary School (glowscotland.org.uk) Class teachers will send home word lists to practice weekly. These will be inserted into your child's reading folder.
	Mental Maths: Our school website contains information on the mental maths progression we follow at Largoward. Access the relevant planner for your child and practice the skills for term 1 and 2. Pupils who feel less confident may want to master the skills for earlier levels and those who want to challenge themselves can access the planners for the stage above.
