Relationships, Sexual Health and Parenthood Education (RSHP):

This is a core part of our school curriculum and parents/carers can find out more about the lessons that their child will be taking part in by following this link - [About the resource - RSHP](#). If you have any questions please contact the school to arrange an opportunity to discuss further.

These lessons are taught by stage as follows:

P1 – Early Level	P5 – Second Level – To Begin
P2 – First Level – To begin	P6 – Second Level – Progression 1
P3 – First Level - Progression 1	P7 – Second Level – Progression 2
P4 – First Level – Progression 2	

This block of learning will take place during term 3 and term 4.

Edinburgh Science Festival

Edinburgh Science Festival is back for another year of family fun and discovery over the Easter holiday!

The theme of this year's Festival, *Going Global*, recognizes that scientific discovery is rarely made in isolation – it requires a collaboration of people and cultures from around the world.

The Edinburgh Science Festival is on from **4 – 19 April 2026**, and **35%** of the Festival's family-focused activities and events are **FREE**. This year's Festival includes a talk with CBeebies star Hamza Yassin and lots of STEM-powered activities for young people to enjoy.

Parents can browse the full programme of events on the [website](#) or by downloading the [brochure](#).

Free Entry
