

Anti-Bullying Week

▶ Anti-Bullying Week

- ▶ This week we have been learning about anti bullying week and why we shouldn't bully. Bullying should not be a common thing and anti-bullying week is a chance to discuss why. The definition of bullying is repetitive intentional hurting of someone physically, verbally or emotionally. Some of the things we have done for anti-bullying week are: making posters, talking about it at assembly and making drama scenes. The difference between bullying and some friendly banter is that bullying is repetitive, and banter will stop if someone says to stop.

Children in Need

Pudsey needs your help!

Children In Need inside of School

Lawhead school thought of ideas to raise money for children in need and the most popular choice was pyjama day, so on the 17th of November everyone wore pyjamas, or they dressed down.

There were four giant Pudsey's in the hall, and you could bring in coppers or 5p,10p,20p,50p and £1.
