Suggestions To Support Learning At Home This Term:			
<ul style="list-style-type: none"> • Topmarks learning games online- there are many games to support your child's learning in numeracy. Playing on a laptop or desktop computer will also develop their use of a mouse and keyboard. • When reading stories together at home, encourage your child to retell the story in their own words. • Practise correct pencil grip at home while your child is writing or drawing. • Dough disco - we have been using these in class to help with fine motor skills https://www.youtube.com/watch?v=DrBsNhwxyzgc
