

Lawhead Primary School – Homework Challenges

| | |
|--|------------------------------------|
| Term 2: October – December 2023 | |
| Class: P4/5 | Teacher: Mrs. Currie. Miss Forsyth |

The deadline for all homework challenges to be completed is **Friday 15th December**. You can complete the challenges in any order you want. However please note that the Literacy task needs to be completed before our assembly. Email: gw10curriepaula@glow.sch.uk and gw17forsythsarahjane@glow.sch.uk

| | Description of Homework Task: (including learning intention and success criteria) | Instructions: | Any other information: |
|---|--|---|--|
| Outdoor Learning and Expressive Arts | <p>I can use exploration and imagination to solve design problems related to real-life situations.</p> <p>Design a Christmas tree/seasonal decoration using natural outdoor materials.</p> | <ul style="list-style-type: none"> • Collect some natural materials when out and about e.g. sticks, leaves, feathers, etc. • Use your natural materials to design and make a hanging decoration (no bigger than a drinks can). • As an additional challenge can you incorporate your house colour into your decoration design? • Please make sure your decoration is clearly labelled with your name and class as they will be used to decorate our school Christmas tree and we will return them at the end of term. | <p>You can enhance your design with additional media such as glitter if you wish.</p> <p>Please bring your completed design into school anytime from 1st December.</p> |
| Listening and Talking | <p>L.I. use pace, gesture and expression when speaking to an audience.</p> | <ul style="list-style-type: none"> • Practise saying your line/lines for the class assembly at home if you have them. Pay attention to volume, pace gesture and expression when delivering your lines. Consider who is speaking before and after you in your scene. | <p>This should be your first homework task as the assembly is on Thursday 9th November. You will be given a hard copy of your line/ lines in the first week of term. Note some children opted for non-speaking roles.</p> |

| | | | |
|--|---|---|---|
| Science | L.I. Research an individual using a variety of sources. | <ul style="list-style-type: none"> • Research an individual who has contributed towards scientific discovery and invention within the Space industry and space exploration. Use a range of sources such as newspapers, magazines, books, and websites. | You can present this in a way of your own choosing. Prepare a short talk and use powerpoint, sway, or a poster format. You can present your talk in class any time after 27 th November. Please see teacher to book a slot for doing this. |
| Maths | L.I Solve problems involving time. | <ul style="list-style-type: none"> • Complete some of the time challenges from the nrich website. Miss Forsyth will also provide you with a work sheet to complete. | See maths assignment. |
| Additional Home Learning Suggestions: | <p>This is a list of other optional activities to support learning at home:</p> <ul style="list-style-type: none"> • Sumdog challenges. • Help your child research by visiting the library or using the internet. • Learn your times tables. • Look out for different types of clocks and watches at home and use them to tell the time. • Look out on clear night for satellites and star constellations. Discuss what you see. | | |
