### ParentWise Survey:

Your views are very important, this is an opportunity for all parents/carers from Nursery, Primary and Secondary settings to provide feedback about the educational experience of your child.

Access the survey by clicking on the link –

<https://www.smartsurvey.co.uk/s/ParentWise2024/>

This link will be live until the 8<sup>th</sup> of March 2024. Please take the time to answer the questions, we value all your responses. Data will then be collated and shared with each educational setting in Term 4 and will inform school improvement planning.

The first few questions determine the sector, school, and stage, these are the only mandatory questions in the survey. The survey is completely anonymous, and no questions will be asked about protected characteristics.

### Anti-Bullying Policy:

We would be very grateful if parents/carers could take some time to share their views on our draft anti-bullying policy. Please follow this link:
