The parentsportal.scot booking system for the forthcoming parent/teacher appointments went **live on Monday 26 February, 2024 at 4.00pm**. If accessing parentsportal.scot via the browser, you will receive an email notification; if you are accessing parentsportal.scot via the app (best experience), you will also receive an in-app system notification.

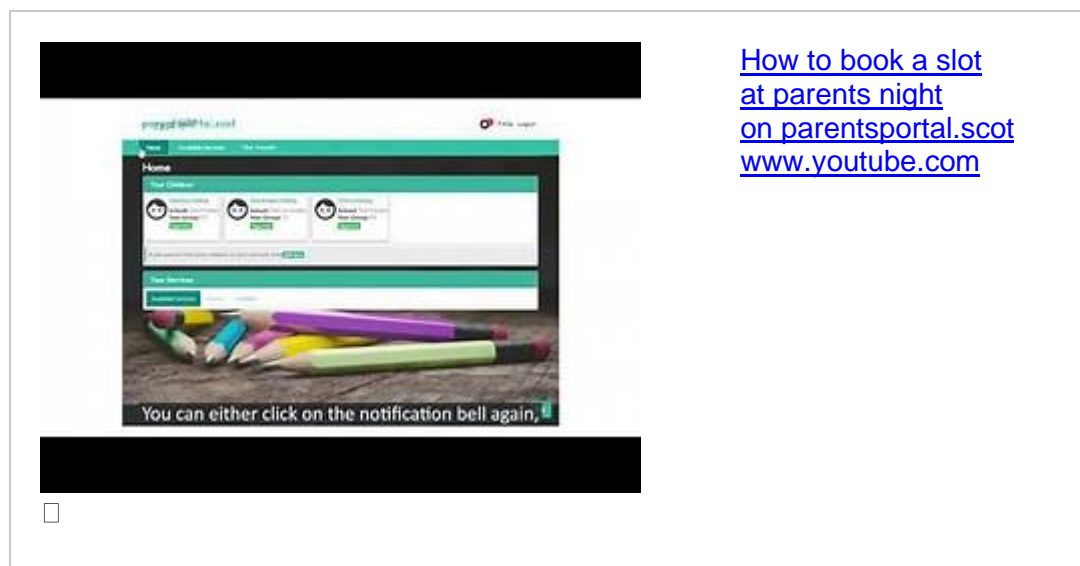

In advance of booking, please take a few minutes to familiarise yourself with the process for booking appointments by watching the YouTube video link below (video only available for browser process).

The easiest way to **book the appointment** is via the notification bell within parentsportal.scot. Please note that once the deadline for booking has passed you will no longer be able to book/amend the appointment online. The deadline for booking appointments is **Friday 8 March, 2024**. We would appreciate it if you can book your appointment(s) at your earliest convenience. Please note that only parents/carers registered in parentsportal.scot can use this facility and where both the main and secondary contacts are registered, the notification will be sent to the main contact. Where only the secondary contact is registered, they will receive the notification.

For parents/carers who are using the app, please see the below screenshot to ensure the correct service is chosen or access 'Notifications' from the app.

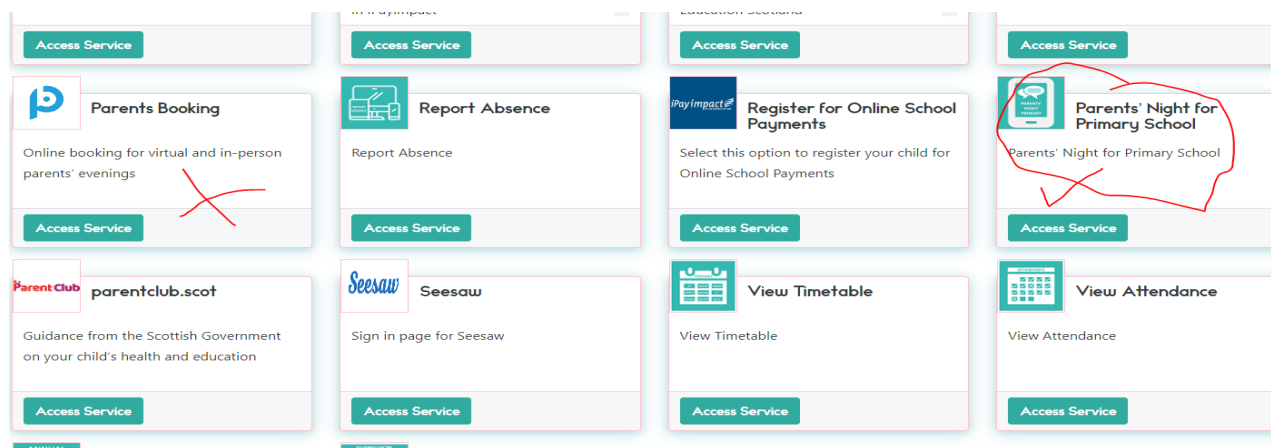

Via the browser, [How to book a slot at parents night on parentsportal.scot - YouTube](#)

In browser, please note the parentsportal.scot dashboard screenshot below which confirms the 'tile' that you should utilise if you wish to review your booking/amend your booking.

Please choose the '**Parents' Night for Primary School**' tile and NOT the 'Parents Booking' tile.

Active journeys will be logged as part of a national contest and we might even win some prizes for our school.

Active travel includes walking, park and stride, using the walking bus, cycling and scootering. Anything you can do to encourage active travel would be appreciated.
