

Lawhead Primary School – Homework Challenges

Term 4: April – June 2024	
Class: P4/5	Teacher: Mrs. Currie Miss Forsyth

The deadline for all homework challenges to be completed is **Thursday 27th June 2024**. You can complete the challenges in any order you want.

	Description of Homework Task: (including learning intention and success criteria)	Instructions:	Any other information:
1+2 Languages BSL	<p>Can you learn our BSL song for term 4? The pupils voted for ‘Three Little Birds’ by Bob Marley.</p> <p>EXTRA CHALLENGE:</p> <p>Can you learn to finger spell the alphabet and your name?</p>	<p>Follow this link to view the video - Three Little Birds - Bob Marley & The Wailers - SignSing (youtube.com)</p> <p>Remember you can change the playback speed using the You Tube settings if it is going too fast for you.</p> <p>Learn the alphabet using these videos to help- How to sign the alphabet in British Sign Language (BSL) - Right handed - Signer point of view (youtube.com) OR How to sign the alphabet in British Sign Language (BSL) - Left handed - Signer point of view (youtube.com)</p>	<p>Mrs. Bain and Mrs. Simpson will check on your progress at assembly time.</p>
Ethos and Life of the School - House challenge	<p>It is the Lawhead sports day on Friday 7th June (back-up date is 14th June).</p> <p>Design a poster or placard to cheer on your house at sports day.</p>	<p>Use an old cardboard box or sheet of card.</p> <ul style="list-style-type: none"> • Include your house name • Include your house colours • Include your house motto • Ensure you can hold it up and it will be sturdy 	<p>Please do not bring into school until Thursday 6th June or on sports day.</p>
HWB	LI: We are learning to stay active and healthy.	Please see your Teams assignment for further details on your task.	
RE	LI: World creation stories.	In R.E we are learning about different creation stories. For this Homework challenge, I would like you to research and select one of the Aboriginal Creation Stories and make it into a book.	Link will be in teams Assignment for you.

		You can make this electronically or by hand.	Remember to bring into class to share when you are complete. You can go along to the homework club.
S.T.E.M	LI: To learn about famous scientists and what they were best known for.	For this task I would like you to design and create your very invention which you would find useful. You might want to research some useful inventions before you plan yours. Think about some of the items we explored and discussed together in class, perhaps you might try and make these even better? <u>Some things to consider:</u> What is it going to do? What materials will you use? Is it cost effective? Do you think there would be any issues? How might you resolve any issues? What size would/could it be? How is it going to help you but also others?	Once you have made your invention, bring it into class to show everyone. This will be displayed in class with our topic wall.
Additional Home Learning Suggestions:	<p>This is a list of other optional activities to support learning at home:</p> <ul style="list-style-type: none"> • Practice the BSL signs of the week that are shared on the weekly newsletter. • Read your library books from the school library. • Login to your Sumdog account and play games to practice your mental maths, spelling and grammar. • Visit the learning at home section of our school website for additional ideas - Learning At Home Lawhead Primary School and Nursery (glowscotland.org.uk)
