[Go to this Sway](#)

We will continue to work with local clubs and further improve school-to-club links within our North East Fife schools. If there are any clubs or partners that you think we should include in our next promotional SWAY; please contact your coordinator to let them know.

If you have any questions or queries about accessing a club, please get in touch using my contactable details below.

Best regards,

North East Fife Team

Headlice:

There have been some cases of head lice in school recently. Pupils do not need to miss school but you should treat your child as soon as possible if you detect headlice. You may find this link useful - [Head lice and nits - NHS \(www.nhs.uk\)](http://www.nhs.uk)

A Few Requests...

Please can we ask for some help from parents with the following:

- Pupils should not bring in any toys from home into school. This is causing lots of upset with our younger learners when things get damaged or lost.
- No lip gloss – there have been some issues with lip gloss use in the younger classes this week so please leave this at home
- Please can pupils remove false nails. This is becoming a safety concern in PE with pupils being scratched during activities.
- Pupils with long hair should have hair tied back on PE days or bring a hair band in and keep it in their gym bag

Parking:

Please can you make any friends or family members who may be collecting your child aware that the school car park is for staff or disabled access only. There have been some difficulties this term with staff being unable to leave the car park as they have been blocked by people waiting to collect children at home time.

Many thanks for you support with these matters.
