Allergies:

We have a number of pupils in our school with very serious allergies. Please can we remind parents that the following food items should NEVER be brought into school:

- Tree nuts
- Peanuts
- Pineapple
- Mango
- Kiwi

Some pupils are bringing in peanut butter and chocolate spread that contains hazelnuts in their packed lunches/snack. This is potentially life threatening for some of our pupils. Thank you in advance for your support with this serious matter.

Swap a Book for World Book Day!

Dear Parents and Carers,

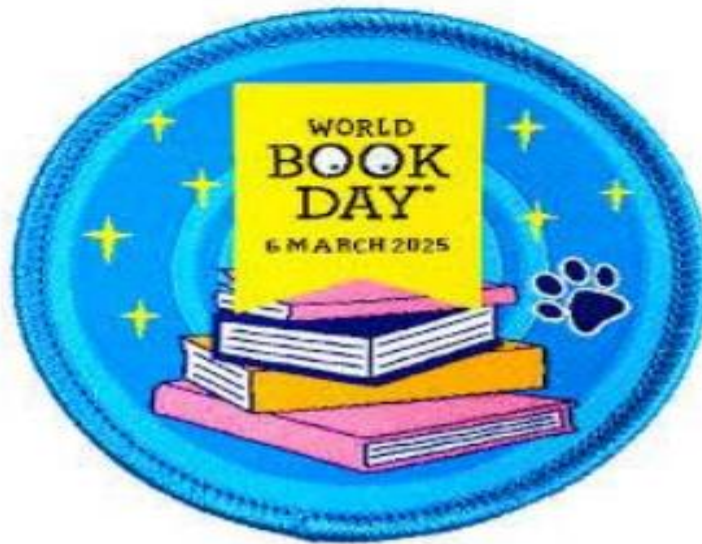

We are excited to tell you about our whole school book swap for World Book Day! This fun event will take place on **Thursday, 6th March**, in the P6 side room at lunchtime. It is a great chance for our students to share their favourite books and discover new ones.

We ask each child to bring in a book that they have enjoyed reading in the past. The book should be in **good** condition and suitable for children of different ages. We would love to have books for older children as well, so we can have a wide range of choices. Each student will get to swap their book for another, helping to create a friendly atmosphere of sharing and learning about different stories. You are also able to donate more than one book if you wish, and to collect a book even if you are not in a position to donate.

Let us all come together to celebrate World Book Day and the joy of reading!

Warm regards,

Cost of the School day leadership group.

with Sarah Brannen

St. Leonard's Church Hall, St. Andrews

Yoga Babies

Yoga Babies is a welcoming space for parents (or another carer) to come with their little one for gentle movement, songs and stretches, calm and quiet. Suitable for babies from around 10 weeks (message me if you have a younger baby and would like to join us) until they are too wriggly for you both to enjoy the class anymore.

Family Fridays!
