### Active Schools Running Event – Thursday 27<sup>th</sup> March:

Active Schools in partnership with Newport Primary School are delighted to inform you that we are running a running event on Thursday 27<sup>th</sup> March from 3:50-4:45 at Newport Primary School. This event is open to pupils across the Madras Cluster P1-7. If you would like to register your child or children for this event please complete the link below. The race distances can be found on the photo below.

Looking forward to seeing you there

### Planters and Saplings:

Most families will be aware that we have large tyre planters lining the entry into the P1-3 playground. Tree saplings are planted in the middle and in recent weeks several saplings have been snapped. We believe this has happened accidentally by children climbing on the tyre planters on their way in and out of school. Please can all parents and carers ensure that their children do not climb and play on these planters so that the plants and trees can have a chance to grow and thrive. Many thanks.

### Big Walk and Wheel:

Our Junior Road Safety Officers have made a video to tell you more: [JRSO Big walk and wheel 2.MOV](#)

## The Big Walk and Wheel, 24 March - 4 April

This is a week to celebrate cycling, scooting and walking to school. On each day, schools compete to see who can get the highest percentage of their pupils walking, scooting or cycling to school. It's a chance for the school to win prizes!

**But** our pupils need support from all parents/carers. Children and parents walking in and out of school should be able to walk safely, where they can see and be seen. The area outside our school gates is busy, and inconsiderate driving and parking is potentially placing children in danger. No-one wants to see one of our pupils hit by a car.

## Improving parking at the school gates

We have created a Parking Pledge. We ask parents and carers to follow these guidelines to give our pupils a safer environment outside our school gates.

Walk, wheel and scoot (or take the walking bus)

Park and stride (park further away, walk the last 100m)

Drive and manoeuvre with care

Park considerately and safely

Don't idle your engine while parking

Don't park in the turning circle, or the staff car park

Don't park: - on double yellow lines

- within 10m of a junction

- on 'Keep Clear' markings

- on pavements or block driveways

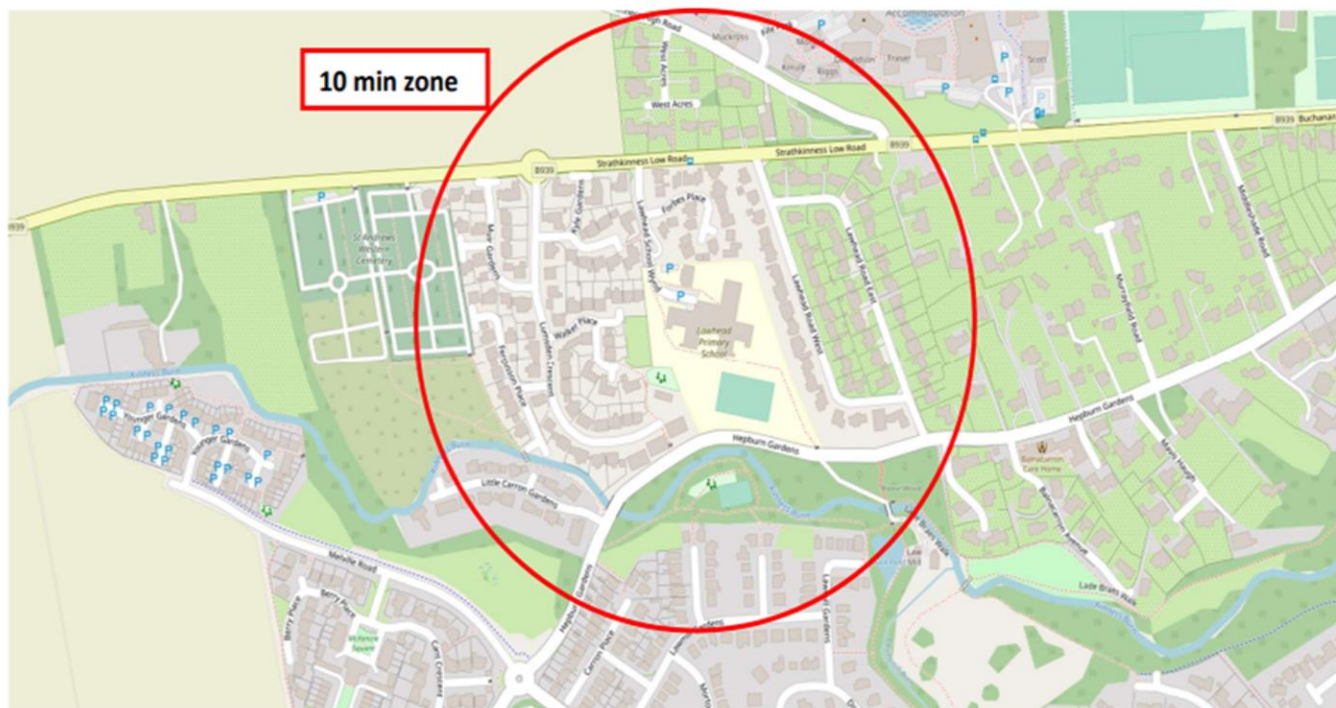

Thank you for your help!

#### Lawhead Primary School – A Guide to Park & Stride

Fife Council policy states parking near schools is strongly discouraged. Yet we know that roads closest to the school gates can get extremely busy during school drop-off and pick-up. We know that not everyone can walk all the way to school every day. But for those that need to drive some of the way, please consider *Park & Stride*.

We have created a virtual **Walking Zone** - an area around a school within which families are encouraged to park a little further away and walk, scoot or cycle the last 5-10 minutes to school. This makes for happier, healthier children, less congestion and stress for parents - and better air quality for everyone at the school gates.

Please park sensibly and safely, switching your engine off, respecting parking restrictions as necessary, not blocking driveways or parking on kerbs, and always leave space for an emergency vehicle to get past.
