Community Mental Health and Wellbeing Support for Children and Young People in Fife - 2025 Survey

Dear Parent/Carer,

The Education Directorate are working in partnership with Fife Voluntary Action to gather information from **young people** and their parents/carers/family members about mental health and emotional wellbeing services in Fife.

We want to hear directly from people who have used or considered using these services. Your feedback will help us to consider what community-based mental health and emotional wellbeing supports are needed across Fife beyond 2025. All answers are anonymous, so please be as honest as you can.

There are two surveys available:

[Parents/Carers and Families Survey](#): Open to families of children and young people aged 5 to 26 years.

[Young Person Survey](#): Open to individuals aged 12 to 26 years.

We encourage you to ask your young person to complete the survey as well, so we can gather their valuable feedback.

Thank you for your time!

BSL Signs of the Week:

Hi!

It is that time of year again when we are looking to see what our numbers are like for the new term (2025/26). We are asking all current parents to fill out a new Registration Document for their child/children and are also giving out registration documents for children joining Lawhead in P1 or that are new to the area. We have a short waiting list at the moment but find that these fill up very quickly, Children already registered with us will have priority over spaces for the next school year.

We would ask that those filling out the registration documents for the first time come into the club with the child being registered to allow us to meet them and for them to have a look at what we do in club and, of course, meet us. During this time the parent/carer can fill out the forms and we can make sure that all information is given and that telephone numbers and emails are easily read.

We look forward to hearing from you
