Dear Parent/Carer

Primary One Enrolments – Online Application Process

Our online enrolment system for pupils due to start primary one in August 2026 is now open for applications. All parents/carers of any child eligible to start primary one in August 2026 should submit an enrolment application online at <https://www.fife.gov.uk/services/apply-for-it-online/apply-for-a-school-place>. The system is available throughout the day and night.

This straightforward system allows parents/carers to use the step-by-step form from a smart phone, personal computer or tablet. You will also be able to upload verification documents via the system too. These documents include:

- birth certificate of child
- council tax notification letter
- evidence of current address e.g. gas or electric bill, driving licence or benefits letter.

For any parent/carer who does not have access to a smartphone or personal computer, your catchment primary school can still email or post out a form and verification documents can be checked by the catchment school through a scheduled appointment.

Before accessing the online form, you will need to set up a mygov.Scot “myaccount” at www.mygov.scot/myaccount, if you do not already have one. Once you have set this account up, you will then be able to enrol your child(ren) or make a placing request using the online form. To help you create a mygov.Scot account we’ve made a short ‘how to’ video which you can watch at www.fife.gov.uk/services/apply-for-it-online/apply-for-a-school-place/enrol-in-primary-school.

Any parents/carers who would like to request that their child attends a school outwith their catchment area, commonly known as a ‘placing request application,’ can also do this using the same online application process. Further information for parents/carers on the process for managing placing requests can be found within the School Admissions Policy, listed within publications at <https://www.fife.gov.uk/services/apply-for-it-online/apply-for-a-school-place>.

The deadline to enrol your child(ren) for Primary one is midnight on 15th March 2026.

The deadline to apply for a placing request application is midnight on 15th March 2026.

We would, however, appreciate if you could apply online at your earliest convenience to give school staff the opportunity to process all enrolments/placing requests as quickly as possible.

Yours faithfully,

Shelagh McLean

STAYING SAFE IN WINTER

Icy bodies of water can look beautiful and inviting, but they can pose a serious hazard. Each year, there are distressing incidents involving individuals who have made the wrong decision to venture onto frozen-over waters with often fatal consequences.

To help keep yourself and others safe, it's important to understand the risks associated with ice and take the necessary precautions.

ICE SAFETY ADVICE

Always supervise children. Just a moment's distraction could have serious consequences for a curious child.

BEWARE THIN ICE

Keep a safe distance from the edge. Fallen leaves or snow could obscure the water's true boundary.

Check for safety signage. This can help inform you of hazards in that area you may not be aware of.

Keep dogs on leads. Otherwise they could end up on the ice and in danger. Also don't throw sticks and balls for dogs near ice.

Most importantly, stay off the ice. Never be tempted to venture onto ice – you have no way of knowing how thick it is and how cold and deep the water beneath is. The water beneath could also be fast-flowing. Don't ever risk it.
