Decider Skills App:

Through assembly and class work the children have been learning about the 12 Decider skills. The Decider Skills app can be downloaded from the app store for parents to use with their children. The Decider Skills are a CBT-based mental health tool that can be used to support emotional regulation. We would encourage all parents to take a look at this very helpful resource.

Updated PE Days:

There have been some changes to PE days for families to note. P3 will now have PE on a Tuesday until the end of term 3 as they will be getting football coaching from an Active Schools coach.

P1/2	Tuesday and Friday	P4/5	Tuesday and Friday
P2	Wednesday and Thursday	P5/6	Monday and Thursday
P3	Tuesday and Thursday	P6	Tuesday and Friday
P3/4	Thursday and Friday	P7	Monday and Friday

Parents/carers may find it easier to ensure their child has kit with them on a Monday and leave it in school all week and if required take it home for washing on a Friday. This ensures your child has PE kit available at all times.
