House Challenges – Friday 26th June – 1.45pm:

On Friday afternoon parents and carers are welcome to join us to spectate and cheer on our houses during our annual house challenge afternoon. All pupils will be split into mixed stage groups consisting of members of their house. They will then rotate round a series of challenges and earn points for their house for each challenge completed. Parents can access the school grounds after 1.25pm when the bell goes at the end of lunch and the children are brought inside. The spectator area will be marked off with cones. Pupils will be dismissed at 3.05pm as normal.

Pupils can come to school dressed in their sportswear and are encouraged to wear their house colour. If pupils still have their banners from sports day, they can bring these in as well. The weather forecast is looking good so please ensure your child has a filled water bottle and has applied sunscreen. You may also want to provide a sun hat or cap. A fleece or jumper would be good just in case!

Please remember we are a phone free school. Please can phones be left at home or in the car and if you do need to have it on your person please put it on silent and keep it in your bag or pocket. Photographing or filming is not allowed.

Please park considerately, if possible park further away and walk to the school. The turning circle must be kept clear and no one should be parked on the double yellow lines or zigzag lines.

Milk Fund for Term 1 - 2026-27

The milk fund is now open for the provision of school pupil milk during Term 1, 2026-27; the cost for Term 1 is £10.64. The fund will remain open over the Summer break and will close at midnight on **Friday 21**

August. Please ensure that you make a payment within this timescale if you would like your child to have milk in Term 1. Pupils will start their milk provision on Wednesday 19 August for payments made by midnight on Sunday 16 August.

Due to supplier order deadlines, for any payment made between Monday 17 and Friday 21 August pupils will start their milk provision within two school days.
